BITS and PIECES

ASSHOLE OF THE MONTH

Everybody likes a broad who knows how to drink. If State Senator Lisa Boscola (D-Pennsylvania) was the type of bottoms-up party gal who is satisfied to toss back a few stiff shooters, shut up, give rimjobs all around and go home, then why not say cheers and buy her a St. Ides?

Unfortunately, the commonly accepted moderation of social drinking is not enough for Lisa "Rum and" Boscola's taste. Senator Sloshed is a turd-in-the-punch-bowl partyer, and her alcohol-fueled hypocrisy has propelled her all the way from the back benches of the Pennsylvania Legislature to one of the world's highest profiles of infamy, HUSTLER's Asshole of the Month page.

December's Asshole began her tenure as state senator in 1998. The 38-year-old's falling-down devotion to disorderly drunkenness became legendary in the Pennsylvania capital of Harrisburg shortly thereafter.

One of Boscola's first acts of rummy retardation as an elected official occurred at a March 1999 Rolling Stones concert. Surrounded by two dozen legislators and staffers, along with thousands of innocent bystanders, pie-eyed Lisa initiated a public screaming match with the state Democratic party leader, who later had to rouse the passed-out bottle sucker as she slumped unresponsively on a toilet.

Boscola insulted a powerful potential ally, President Pro Tempore Robert Jubelirer, in a Harrisburg tavern last December, dropping by his table to make a sexual wisecrack about his wife.

In April of this year, Allentown newspaper the *Morning Call* ran a front-page exposé on Boscola's lushery, including testimonials from numerous dismayed colleagues.

"When I looked at Lisa, my whole life flashed before my eyes," lamented Democratic Representative Linda Bebko-Jones, herself a recovered alcoholic.

Boscola inflamed the situation by slapping at the allegations like imaginary bugs crawling under her skin.

Siphoning cash from her campaign committee, the senator bought a series of local radio spots decrying the reportage as based on "all sorts of lies and wild stories."

Like any defensive drunkard, Boscola holds phantom adversaries responsible for her self-ruin. She paints herself as a victim of the "big boys" who resent her presence in a male-dominated arena. "These are evil, nasty people that I'm dealing with," Boscola hiccuped in reference to her exchange with Jubelirer. "The moment you cower, there is no respect."

Sober minds would find a better pathway to respect than drunkenly belittling a peer's spouse. Perhaps hoping to stave off the inevitable stint in rehab, Boscola took a few wobbly swings at alcohol abuse, cosponsoring a resolution for Mothers Against Drunk Driving and introducing legislation that allows judges to attach Breathalyzers to the car ignitions of convicted drunk drivers. At the same time, the crusader against inebriated motorists reserved her own right to suck up suds.

"There are people in this world who can have a drink or two and not be intoxicated," Senator Sot asserts. True, but Lushy Lisa's definition of "two drinks" is looser than her toilet-mouth tongue.

Boscola told a state trooper she'd had only two drinks on July 17 of this year, after she was pulled over on her way home from the state capital. Boscola's Thunderbird was reportedly "weaving all over the road," coming "within inches" of hitting several cars.

Blotto Boscola registered a .264 blood-alcohol ratio. The legal limit in Pennsylvania is .10; drinkers typically pass out at the .30 mark.

Boscola had played the two-drink defense more successfully three years earlier, when her car jumped a curb and struck a pole. She received a mere careless-driving charge.

"I accept full responsibility for my actions, and I am willing to face the consequences," Boscola announced following her DUI arrest, many drinks too late to have taken responsibility on her own initiative. "My challenge right now is to...become a better person and a better senator."

Boscola's pat acknowledgement smacks of a politically expedient ploy to avoid the consequences that she says she is willing to face. If she wanted to serve her constituency better, she could make every Pennsylvania motorist a little safer by hurtling into a freeway stanchion next time she drives shit-faced.

Boscola's real challenge is to enroll in A.A.: Assholes Anonymous.

FARTS IN THE WIND

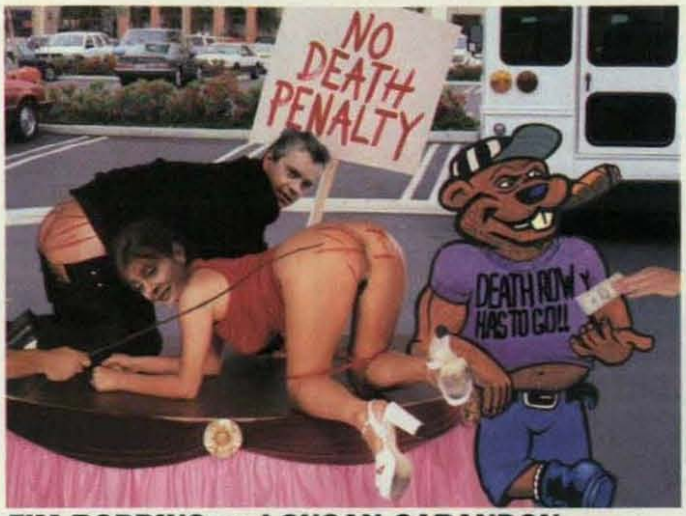
O. J. Simpson: Most people would be content to be acquitted against all logical odds on a double-murder charge. Not the Juice, who recently announced that he would rather remain unemployed than pay the civil damages he owes to the families of Ron Goldman and Nicole Brown Simpson. "If I had to work to fund what I believe is a wrong decision, I probably would not work," Simpson proclaimed. Besides, who has time for a second job when you're already a full-time Asshole?

Diana Ross: As an encore to her tirade at Heathrow Airport, Ross launched a fraudulent Supremes "reunion" tour, declining to pay original Supreme Mary Wilson enough to sing along. "I just don't think that Mary had the vision to see that this was not about money," Ross said of the canceled concerts, the tickets for which reached into the $250 range. Stop! In the name of decency, supreme Asshole.

Cause Celebrities

Fund-raising Stunts We'd Pay to See

Issue-conscious stars shouldn't be complacent to simply attend dinners and golf tournaments that funnel money to their pet photo-op humanitarian stances. HUSTLER suggests that these activist dabblers raise cash and awareness by selling the public a chance to participate in the politics of publicity.

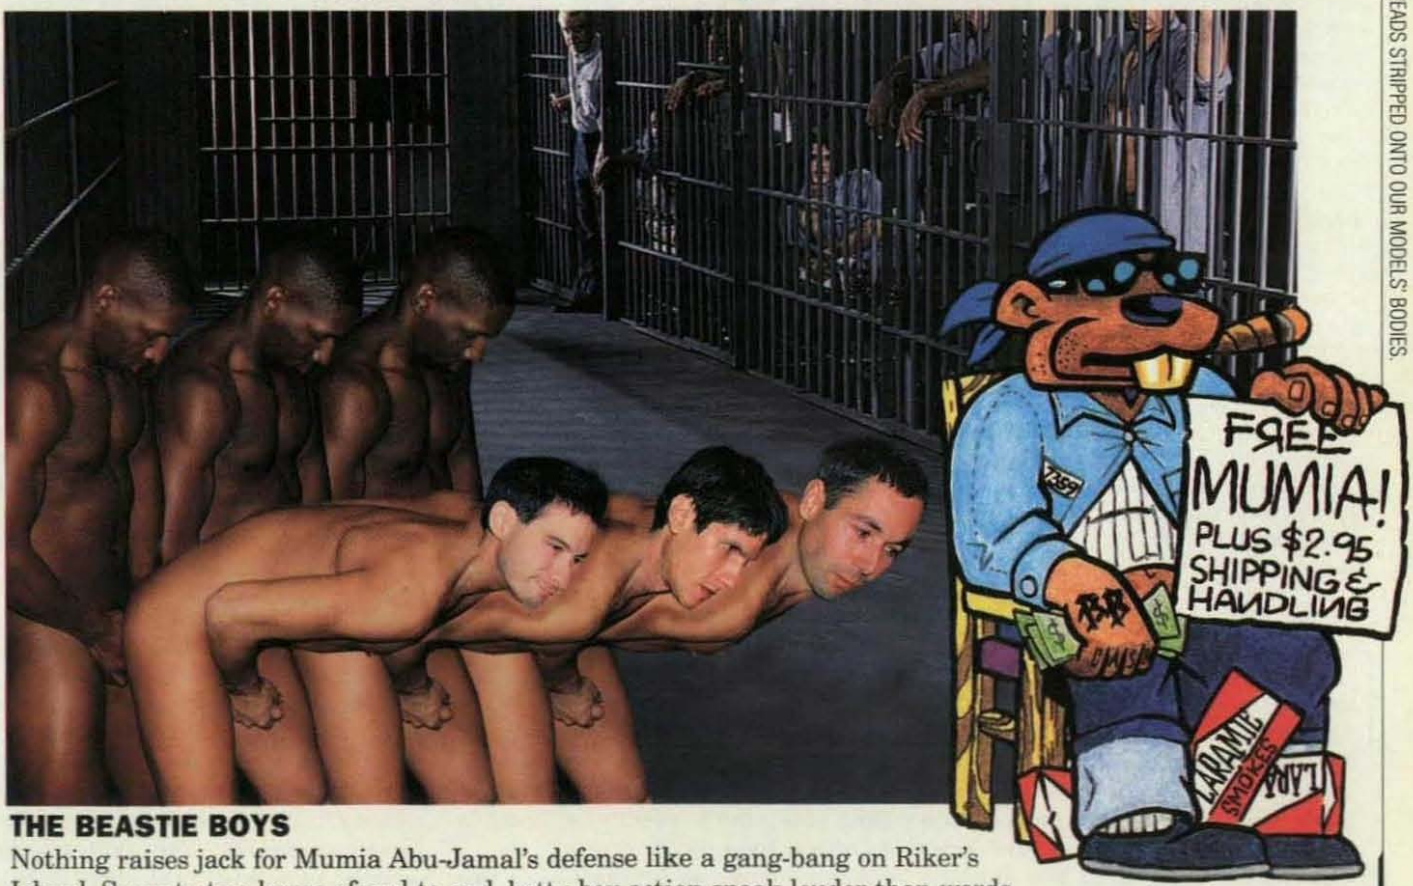


TIM ROBBINS and SUSAN SARANDON

The professionally liberal couple can protest capital punishment with an exhibition of corporal punishment. Public caning will raise big money at ten bucks a whack—and even bigger welts.

ROSIE O'DONNELL

The adoption-binging Mother Moose could turn her enemies' strength against them by making the NRA pay for the privilege of taking potshots at her political broadside.



THE BEASTIE BOYS

Nothing raises jack for Mumia Abu-Jamal's defense like a gang-bang on Riker's Island. Seventy-two hours of end-to-end, botty-boy action speak louder than words delivered at fancy benefit concerts.

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

New-Wave Pink

I recently found a tattered issue of the March 1982 HUSTLER. That chick Julia (*Julia: Dressed to Please*), with her lovely legs, beautiful eyes and luscious lips, is the sexiest '80s tramp I've ever seen! I would be thrilled if HUSTLER dedicated an issue to classic babes such as Julia.

—W. T.
via Internet

Kudos, W. T., for the great idea. We dig retro-styling as much as you, especially the feathered do's and hairy bushes that many of the '80s Honeys were so fond of sporting. While we consider the idea of assembling a special classics issue, check out the tried-and-true Lorelei (Lorelei: Swingin' Safari) on page 60.

Humpin' Bunny

Damn, that Bunny (*Bunny: Water Nympho,* October 2000) is one nasty fucking chick. After seeing the raunchy blonde cramming her cooze full of latex and pissing up a storm in HUSTLER, I had to run out and see her movies. I truly enjoyed watching her take a huge wad of jizz on her face in BARELY LEGAL Video #1. You should have her being fucked by a guy in HUSTLER. —A. K.

Memphis, Tennessee

The hair color must have fooled you; Bunny enjoyed a fleshy carrot in the May 2000 HUSTLER (Bunny and Andrew: Future Fuck), displaying a red dye-job and a hot-cream facial.

Vera Nice

Thanks for putting Vera in the centerfold (*Vera: Clam Dance*, September 2000). It's nice to see a hairy pussy, since most girls tend to shave of late. The thing I love the most about Vera is her pert, little titties. That shot of her nipples standing at full attention nearly made me cream my pants. I had to run home and polish my bishop. I'd love to suck on those stiff nips like they were a pair of fucking lozenges.

—J. T.
Lacey, Washington

Diff'rent Stroker

I am one hell of a satisfied customer. Thanks for running the nude parody of Kathie Lee Gifford in HUSTLER (*Bits & Pieces,* "Enslave the Children," May 2000). I'm a huge fan of the TV star, and have dumped gallons of jizz while watching her show and aerobics video. Thanks for giving me a totally nude image of my favorite celebrity to whack off to. —S. N.

Vera: Clam Dance

Back in Yellow

I have not read HUSTLER for years, but when I heard on a local radio show that you were printing pictures of women peeing, I had to buy a copy. I found the September 2000 issue, and sure enough, there was a shot of two beauties relieving themselves on a patio (*Shay and Victoria: Pissing Bandits*). It's great that you're catering to piss fans. My only regret is that I may have missed tons of issues that featured pee. —W. M.

Daytona Beach, Florida

Glad to hear that you're enjoying our pee shots. We've only received one complaint about the urination trend on HUSTLER's pages, and that was from the mop boy down at the photo studio. There's no need to be pissed at yourself for missing out on our earlier whiz pictorials; just call (323) 651-2348 to order back issues.

Beaver Booster

I just want you folks to know one thing: Barclay from Los Angeles, California, (*Beaver Hunt*, August 2000) is one of the hottest pieces of candy I have ever seen. That girl is as hot as a supermodel and has the rock-hard body of a porn star. Her tits and pierced clit are un-fucking-real. I could swear that I've seen that hot piece of ass at a local strip club. My friends, coworkers and I demand to see more of her. Come on, HUSTLER, put

The Mouths of Babes

I'm a 22-year-old girl, and I adore HUSTLER. I've lived my entire life in Arab, Alabama, a town that the local African Americans are afraid to pass through, due to its abundance of violent rednecks. It's the kind of place where chicks who wear red lipstick, cropped tops and have bleach-blond hair such as myself are labeled "bad girls." I'm proud of my body and like to show it off. Because of this, they call me a whore. People need to let go of all their issues regarding race and sex, and stop putting limits on sexuality. That's why I love HUSTLER so much. You guys tap into the most important aspect of life: pleasure. Keep it flowing. —J. G.
Arab, Alabama

Thanks for keeping the faith, J. G. Despite the fact that most everyone fucks, open sexuality in America sometimes feels like a grassroots movement. We're glad that HUSTLER has inspired you to live the life and stick to your beliefs. Our readers will be even more grateful that you sent snapshots to accompany your note. Those who want to see the author of this inspiring letter bare more than her soul can do so in this month's Beaver Hunt.

Politics Down Under

I live in Sydney, Australia. As a follower of American politics, I support your practice of revealing the hypocrisy of politicians, especially the conservative Republicans. I believe that you should continue to out them as the big election approaches. The public has the right to know the truth about their leaders. George W. Bush, for one, clearly has a dirty past that the electorate should know about, in light of his stern antiabortion and antidrugs platform. Fortunately, Australian politicians don't commit as much moralistic posturing as they do in the states. Americans are lucky to have somebody like Larry Flynt to help keep their politicians honest.
—J. W.
Sydney, Australia

Thanks for the endorsement, mate. Too bad you're not a registered U.S. voter. Keeping tabs on politicians is a full-time job. We do our part; hopefully our readers will do theirs by continuing to stay informed with HUSTLER. It's not enough for us to point out the stuffed shirts when they spout bullshit. Voters need to make sure the evil gasbags don't rise to power.

Healthy Competition

I work for a small fire department. All the fellas here bring magazines to help pass the time between calls. The two faves have always been HUSTLER and *Penthouse*. I've always been a big fan of HUSTLER, but I have to admit that ol' Gooch is starting to make you look tame. Your competitor's girl-on-girl pictorials are more intense and way more graphic. It isn't uncommon to find a chick with her tongue crammed way up her friend's box. HUSTLER's girls only nibble on cock heads, while the *Penthouse* ladies seem to be swallowing the whole sausage. You guys are constantly covering up insertion shots, and the money shots are starting to look like Elmer's Glue. I've been a fan of HUSTLER way too long to see Bob outsleaze you. Please make me proud and bring HUSTLER back to where it started: as the pioneer of pornography. —P. S.

Take a look at Sylvia and Devon: Sun Strokers on page 20 and tell us that we're going soft. If the sight of red-hot Sylvia with a prong shoved halfway up her dripping gash isn't enough to satisfy your blazing appetite for raunch, let us recommend HUSTLER XXX, a glossy title packed with more double penetrations, cum facials and deep-throats than you can shake your hose at. Call (877) 325-6464 to order.

Do you ever stop to think about what your publication does to society? Have you considered how your employees or the people who pose nude for HUSTLER are affected? Your publication sells because it preys on God-given instincts. You are taking advantage of nature when you sell nudity and sexually oriented materials. You have enslaved countless consumers and yourself. If you truly believe in your talents, dreams and the possibility of living an amazing life, please stop printing HUSTLER. By ceasing the production of porn, you could have a better career, a better life and a better soul. —M. S.

readers of HUSTLER experience more hard-ons than perusers of any other magazine. Male HUSTLER employees boast more erections per business quarter than any other profession (excepting, perhaps, the White House staff). Take advantage of our publication's wood-generating tendencies and whack loose the backed-up splooge that's clearly clouding your judgement. Only then can you truly understand the profound impact that HUSTLER spreads across the world.

Limey Aid

I am 32 years old and incarcerated in one of Her Majesty's prisons. I had never purchased any pornographic material until I was sent to jail. HUSTLER was the first porn magazine I was introduced to. I've since seen them all, and yours is still the best. I am writing to you concerning the beautiful porn models that you feature. My fellow inmates and I were wondering if you could provide us with an up-to-date list of fan-club addresses for our favorite XXX performers so we can write and express our gratitude for the great jobs that they do. If you could fulfill this request of ours, we would be greatly appreciative. On a personal note, I'd like to thank you and all of your staff for producing a great magazine. Please keep up the good work.

Leave it to the Brits to issue a penal missive so polite and eloquent. Porn fans, locked-down or not, would do well to subscribe to HUSTLER EROTIC VIDEO GUIDE, the ultimate resource for lovers of XXX. It's chock full of interviews, news, fan-club addresses and features on all the best starlets. Cox in HUSTLER?

I've been a longtime fan and reader of your publication and would like to see the TV star Nikki Cox from the show *Unhappily Ever After* posing spread-eagle in your magazine. She's definitely one of the hottest cunts on television. Please give the idea some thought. —R. F.

Since her lame show was canceled, the busty actress doesn't quite qualify as one of HUSTLER'S Million Dollar Muffs, but we'd still like to give the out-of-work Honey some of our patented head-shots. Fans of all cock-shy mainstream starlets should write us and the objects of their affection, and let it be known that their pink is wanted on the set of the HUSTLER studio.

The balcony of Sylvia and Devon's hump haven creaks in unison with the couple's ecstatic groans.

"We might as well live out here," pants Devon, thrusting his thick rod into Sylvia's honeyed snizz.

"Sometimes I feel like I can't come without the sun," coos golden-tressed Sylvia. Her body glistens with sweat in the dazzling light.

Fingering her clit while Devon relentlessly drives his veiny shaft into her raw snatch, Sylvia whimpers and tightens her twat around Devon's meat.

"Don't slow down," murmurs Sylvia to her heaving partner. "We're going till sunset—and after."

Dear SLUT

JEANNA FINE TELLS THE FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

HUNG LIKE A HORSE

Is there a way to transplant penises from one male to another, or to graft an equine prick onto a human body? I'm not kidding. I only have 6½ inches and feel very inadequate. When I fuck a girl, I want her to remember me and to cry out my name when other men try to fuck her. I want her pussy to be ruined for any other prick that dares to venture within. If you have any useful information about attaining a larger cock, I'm all ears, but please, for God's sake, spare me the psychological bullshit.

—E. D.
Nashville, Tennessee

Since you don't want my brand of advice, I'll give it to you in the same manner you approach your potential bedmates—hard and heartless. You're shit out of luck, buddy. Consider yourself fortunate; there are guys who would die for your length. In all honesty, I don't think you're mature enough to handle what's attached to the pussy that you so desire to demolish. Take a chill pill, brush up on your social skills, and learn to live with what God gave you.

AUNTIE FLO

I'm a fairly inexperienced 28-year-old guy. Recently, I was about to hook up with a girl, when she told me that she was on her period. I didn't know what to do; the idea of red-dogging turned my stomach. I kissed her body all over, and she sucked my cock. The next morning, I was hoping for some more nookie, but she was dressed and ready to bail. What did I do wrong?

—A. J.
Harrison, New Jersey

Foreplay is 90% of the game when it comes to pleasing women. If you covered every blood-free base, you have nothing to worry about, unless this was a one-night stand and the chick was in the mood for the high hard one no matter what, in which case you dropped the ball. Don't sweat it; just chalk the fumbled tryst up to experience. Should you choose to change your stance and bloody your stump in the future, there are some things to consider. Having sex while the red is gushing, even with a rubber, can be messy. It's best to throw a towel down if you don't want to stain the sheets. What it comes down to is finding out what the chick wants. If you're not willing to do it, no one's in the wrong. It's just a bad match.

FALLING HARD

I'm a 23-year-old, Caucasian male virgin. I'm not ugly or malformed in any way; I just lack confidence. I recently went to a gentlemen's club and paid $50 for 30 minutes of private time with the girl of my choice. She took me to a back room, rubbed my schlong until it was hard, put a condom on it and straddled me, grinding her pussy against my dick as I fondled her tits. After 15 minutes, I finally came. I'm infatuated with her now. She doesn't know, but in a way, she took my virginity. Is it foolhardy to pursue a relationship with a girl who's basically a prostitute? —A. R.
Dallas, Texas

Hoping for a relationship with a dancer may not be foolhardy, but your chances are pretty slim. Keep in mind that your grope session was a business transaction, and the warm, friendly demeanor you were greeted with was a function of professionalism on the stripper's part. At the very least, you're going to have to pay for more than a second or third "date" before you can ask about seeing her "off the clock." Don't be disappointed if she shoots you down. It makes sense to have feelings for the girl who took your innocence, but my advice is to file this experience away as a great memory and move on.

SORE WINNER

My chick's a total horndog. We've fucked every night for a month, and she shows no signs of slowing down. I don't want to complain, but when I fuck her missionary

Dream Quest

FULLY ERECT

Directed by Brad Armstrong;
starring Jenna Jameson, Stephanie Swift, Asia Carrera, Alexa Ray, Sydnee Steele, Amber Michaels, Johnni Black, Felecia, Temptress, Inari Vachs, Jessica Drake, Teri Starr, Brigette Kerkove, Devin Wolf, Herschel Savage, Brad Armstrong, Randy Spears, Evan Stone, Dale D'Bone and Anthony Crane.
Videocassette: Wicked Pictures.

Placing expectations of quality on a big-budget, shot-on-film porn flick is usually as ill-advised as loaning your checkbook to a crackhead. Nonetheless, the artsy, high-end fuck fantasy *Dream Quest* conjures wood in spades. Basically a fairy tale, *Dream Quest* sends Jenna Jameson on a journey to a magical land. Her mission: to retrieve the spirit of fantasy from an evil prince (a wisely cast Herschel Savage in Roman garb and *Star Trek* makeup). Jenna samples plenty of cooze during her journey. Asia Carrera slurps Jameson's pierced twat. Later, lesbo fairies Felecia and Stephanie Swift spread Jenna's labe wings and cast a spell on her pussy. Alexa Ray waylays Jenna in a frozen cave, where the pair warm up their lust caverns with an icy dildo. Thankfully, this highbrow offering doesn't shy away from raunchy screwing. Savage reams Brigette Kerkove's magic ass rings until the demonic slut's eyes glow red. Even cock-wary Jenna joins the action, gobbling and riding Devin Wolf's meat sword until the stud bestows a pearl necklace upon her panting face. Staying true to fuck fans while still managing to raise the creative bar, *Dream Quest* is epic boner fuel. —*Nicholas Veridian*

Leather Freaks & Bondage Geeks

A Night of Good, Dirty Kink at the Fetish Ball

For the past ten years, members of the Los Angeles fetish community have crawled from the wormwood for the Fetish Ball, an annual celebration of dark, twisted perversion. The brainchild of nightclub impresario James Stone, the Fetish Ball has grown from a Halloween gathering of a few local wierdos into, arguably, the preeminent fetish event in America, a three-day extravaganza of music, photography, fashion and performance art that twists with a jagged, erotic edge. With more than 2,000 drunken revelers packing all five floors of downtown L.A.'s Variety Arts Center, this year's ball provided a forum for deviants of all stripes to meet, greet and beat one another into submission.

Onstage, impossibly sexy fetish icon Dita performed a 1940s-style striptease—complete with skimpy retro costumes and Betty Page drag—to the delight of onlookers.

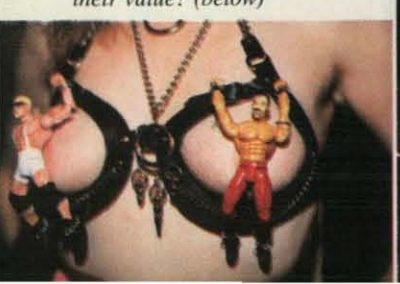
Flesh and costumery mixed on the dance floor as well. From the older man sporting a mortarboard and caning a schoolgirlish nubile, to the sci-fi chick who was just barely wearing a latex "space-bikini," perverts of all stripes let their freak flags fly.

Comely pony-girl Jenny, bedecked in a full-on leather saddle, headgear, bit and bridle, explained the appeal of the ball. "I came here looking for someone to tame me." The lithe filly didn't look like she was having much luck. By contrast, Damian and Debbie, two young scenesters in latex and rubber, were flouting decency laws, pawing each other lewdly for the appreciative, leering eyes of the crowd.

Gazing out at the sea of sweaty, latex-wearing kink fiends undulating to gothy techno music, sultry Anne, nipple rings clearly visible through her white convent shirt, noted, "I'm kind of new to the whole fetish thing, but seeing this crazy shit onstage and being part of this crowd has definitely given me some very naughty ideas. I'm hoping to meet someone to show me the ropes."

Bull's-eye (right).

Doesn't she know that taking them out of the box decreases their value? (below)



Uninhibited Girl

HALF ERECT

Directed by F. J. Lincoln; starring Kylie Ireland, Chloe, T. J. Hart, Tina Tyler, Eve, Kyle Stone, Steve Hatcher, Mickey G. and Michael J. Cox. Videocassette: VCA Pictures.

Uninhibited Girl casts Kylie Ireland and Chloe as nymphos doing hard time in a home for wayward girls that "encourages the open and honest expression of sexuality as a vital part of emotional healing." Under the watchful eye of therapists Kyle Stone and Tina Tyler, the ravenous cockhounds tend to their wounds by filling them with whatever's hard and handy. Chloe and Kylie team up on guard Mickey G. during an escape attempt. Ireland rides the watchman's billy club, while Chloe grinds her cooch on his face. The guard pins Chloe down with an anal piledriver that sends the loony slut into fits of orgasmic convulsions. Still, for a flick that claims to portray insatiable fuck fiends, much of the screwing is fairly tame. When Kyle Stone passes on the opportunity to gob all over Ireland's face, the vid's true vanilla nature is revealed. The starlets in the overly tame *Uninhibited Girl* should have pocketed their meds and cut loose like fucking lunatics. —*N. V.*

Babes Illustrated #9

THREE-QUARTERS ERECT

Directed by Quasarman; starring Jewel Valmont, Kianna, Tabitha Stevens, Naeja Exel, Shelby Myne, Alexis Amore, Misty, Bobbie, Houston, Brigette Kerkove, Allison Embers and Ron Jeremy. Videocassette: Metro.

Financial woes yield carnal riches in *Babes Illustrated #9*. When a trio of out-of-work actresses can't make their rent, landlord Ron Jeremy installs Web cams and sells peeks of the lesbos' muff-munching tendencies. Standout starlet Jewel Valmont, with her understated good looks and genuine enthusiasm, elevates this clit-fest from standard strap-on fare to an estrogen-only treat. Jewel takes a bath with roommate Kianna, jamming her cooze with a candy-apple-red dildo. Later, Valmont sits on landlady Bobbie's face, grinding her pussy on Bobbie's extended tongue. Valmont clips Bobbie's nips with clothespins, jerks on her raven tresses, slaps her face and spits in her lessor's mouth before working her crotch over with a latex schlong. A pre-labiaplasty Houston shows up for a brief tumble with Tabitha Stevens that may as well have been phoned in, Stevens's best efforts to pick up the slack notwithstanding. Despite the uninspired walk-on, *Babes Illustrated #9* is a rousing example of sapphic action done right. —*N. V.*

Trailer Trash Nurses #2

HALF ERECT

Directed by Jerome Tanner; starring Jeannie Rivers, Bunny Luv, Gwen Summers, Gina Ryder, Shelby Myne, Jessica Drake, Chuck Martino, Michael J. Cox, Evan Stone and Devon Sapphire. Videocassette: Legend Video.

Trailer Trash Nurses #2 pits dopey country girls against porn directors posing as millionaires, and the results are less than stellar. Only Gwen Summers, as hillbilly nurse Muffin, shines in this poorly assembled farce. Michael J. Cox tells Gwen that even though he's rich, women won't let him lick their assholes. Gwen buys his tall tale and invites him to slurp her winker. Cox pops his dong in Summers's mouth, savoring her oral skills. Summers coos and titters as she's boned. The fuck slut rides Michael's prong before jumping on all fours, welcoming a rear bang, and chuckles as Cox unloads his nuts on her face. Sadly, little else measures up. Jeannie Rivers delivers mechanical lines, surely read from a cue card. Bunny Luv waltzes through a half-limp scene with Devon Sapphire. Only Jessica Drake comes close to replicating Gwen's bone-jarring performance, when she mounts Evan Stone's rod for an energetic gallop. *Trailer Trash Nurses #2* is serviceable spank fare, but never reaches its hardcore potential. —*N. V.*

UNINHIBITED GIRL: Ireland looks before she licks.

BABES ILLUSTRATED #9: Bobbie bottom-feeds on Valmont.

TRAILER TRASH NURSES #2: "Wait, I was supposed to take <u>your</u> temperature."

SEX ACROSS AMERICA: VEGAS: Anastasia strains to take it all in.

Sex Across America: Vegas

HALF ERECT

Directed by Luc Wylder; starring Alexandra Silk, Anastasia, Heaven Leigh, Guage, Monica, Dale D'Bone, Billy Glide, Blake Leigh and Mojo. Videocassette: Adam & Eve Productions.

Luc Wylder packs a Winnebago full of fuck sluts for a raunchy road trip in *Sex Across America: Vegas*. Unfortunately, the whole affair runs out of gas before they pass Barstow. The jaunt starts off steamy as Alexandra, Anastasia and Guage strip, masturbate and swallow cock in the rear of the camper. Barely-legal tramp Guage sucks and fucks in the back bedroom, while Silk strips naked and positions her body on the oversized dash. Billy Glide finger-fucks Alexandra's gash and slurps on her clit. The enthusiastic Silk sizzles in this scene; her taut body looks exquisite from every angle, while her cock-loving demeanor lends authenticity to the rutting. Sadly, things slow down by the time the crew hits the strip. Almost every scene is shot inside, rendering the video's road-show concept moot. Though Heaven Leigh is a beauty, her missionary-position couch bang with Glide is merely acceptable. Terrible video effects and annoying introductions drag this already troubled road journal further down. *Sex Across America: Vegas* could have been a reality-based, ball-busting jackpot, but the last half of the flick totally craps out.

—N. V.

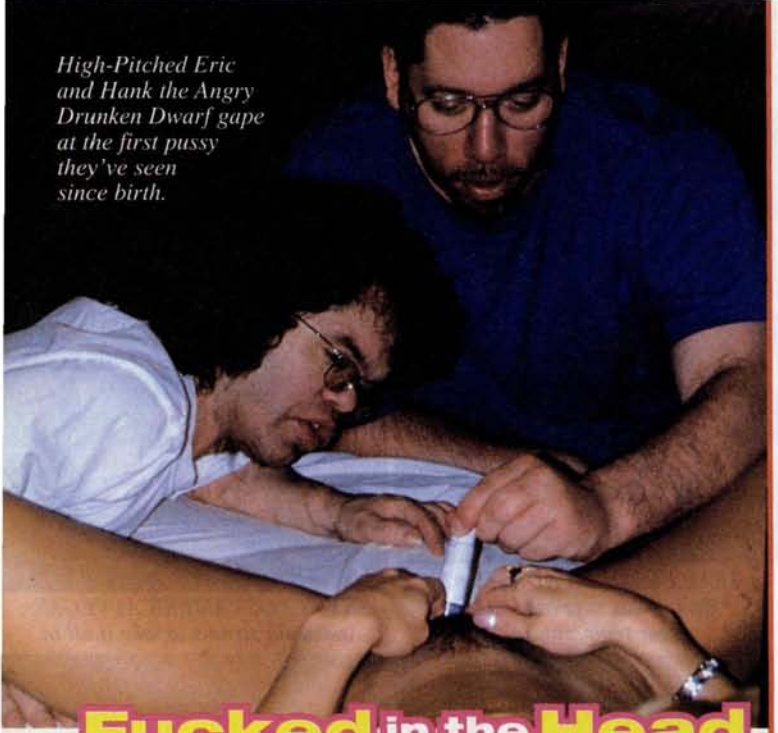
Debauchery #7

THREE-QUARTERS ERECT

Directed by Jean Yves LeCastel; starring Venus, Atlantis, Stephanie, Sandra, Nicole, Sabrina, Atilla, Robert Rosenberg, David Perry, Yves Le Prince and Jean Yves LeCastel. Videocassette: Diabolic Video Productions.

With *Debauchery #7*, Diabolic delivers a strong entry in the crowded and often shaky genre of import porn. As the volume of Teutonic and Eastern European flicks grows, common failing points (robotic women, poor footage shot on outdated video equipment) become evident. While this offering doesn't pave any new smut ground, it still pleases any boner with an eye for exotic poon. The standout feature of this flick is its unabashed nastiness. Anal action abounds, almost to a fault; very rarely does man root part labe, and that's only during double penetrations. Nevertheless, the poop-alley plundering is particularly filthy and wholly enjoyable. Stephanie, with jet-black hair and a double-pierced pussy, takes a colon pounding. Her anal assailants' fleshy spears probe so deeply that spurts of shitty backwash emanate from her gaping ass rings. The cooze's male costars finger her cavernous sphincters and make her taste the residue. After endless ass pounding, both swordsmen spray shit-flecked spuzz at the smiling slit. The camera moves in so close to the facial blast that Stephanie's jizzy breath fogs the picture. For fans of up-close-and-personal ass routing, *Debauchery #7* is the shit. *—N. V.*

DEBAUCHERY #7: European scientists discover the rings of Venus.



High-Pitched Eric and Hank the Angry Drunken Dwarf gape at the first pussy they've seen since birth.

Fucked in the Head

Whacked-Out Porn Hits a New Low

Has the XXX fascination with bizarreness for its own sake gone too far? Howard Stern's Wack Pack gathered in a trendy Tribeca loft recently to shoot an outré gang-bang tape that, if the on-set goings-on are any indication, will play more like a tragedy of errors.

In attendance are mouth-breathing imbecile Gary the Retard, nasty boozer Hank the Angry Drunken Dwarf, eunuch-voiced fat boy High-Pitched Eric and the speech-impeded Joe Cancer. Porn performer Alexandra Quinn (who, having entered the porn business with a fake ID, is accustomed to such blue-screen scams) and gorgeous wanna-be gang-bang queen Cleopatra were on hand to open all inputs to the menagerie of limp dicks.

Hank, being the most mentally sound participant, decides through his early morning booze haze to start off the Steve Seidman-directed fiasco by eating Quinn's clam. Soon, the director calls "Cut!" Hank climbs up and out.

"You know," Quinn observes, "I never had a midget eat my pussy before!"

"Well, guess what—you never did have a midget eat your pussy. I'm a dwarf!" Hank retorts.

After this surly start, High-Pitched Eric strips out of his sweatpants. Alexandra manages to poke her head under his overhanging gut to give him head, but Eric has wood trouble. Maybe it's because of the three camera crews and assorted, mostly male, onlookers gaping at him. The bout of impotence might also be attributable to the racket emanating from Gary the Retard. Forbidden by his manager to actually take part in any hardcore activities, Gary is the gang-bang's official cheerleader, whooping and hollering, flailing his arms and spraying saliva just inches from the action. Alexandra diplomatically lays Eric on his back, faced away from the crowd. After managing to roll a rubber over Eric's chubby, she climbs aboard.

"Ride 'im! Ride 'im! Ride 'im!" Gary the 'tard blathers. Disaster strikes, in the diminutive form of Hank the Angry Drunken Dwarf, who strips and staggers into the action. All in all, the nude, stumbling, wee dipsomaniac is a pretty fearsome sight; High-Pitched Eric understandably goes soft as mozzarella in the sun. Undeterred, the nude Alexandra straddles fully clothed Joe Cancer, who's seated on the couch.

"*Ooooh!* He has a nice, hard little dick here!" she happily reports. Alexandra lets Joe jam his fingers in her pussy while she finger-fucks her own ass. She takes an on-camera spanking and a hair pulling from Cleo until she comes herself. It seems Alexandra's not the only one who's gotten off.

"*Eeewww!* I feel a wet spot!" she giggles, fingering Joe Cancer's sweatpants. It's not much, but so far, the semen-soiled patch of fabric is the only certifiable male orgasm of the day. Finally, in an effort to produce at least one in-your-face money shot, Quinn delivers a suck-the-lug-nuts-off-a-truck-tire blowjob and smiles pretty for a geyser of *crème de la cock* from the cameraman, pro-am pornster Mike South.

After the shooting stops, South sums up the session succinctly. Raising his head from the Sony digicam's eyepiece, the Dixie-based stunt cock drawls, "Man, this whole thing is total fuckin' Theater of the Absurd!"

Whether absurdity amounts to arousal or not is another issue altogether.

Shock Therapy

THREE-QUARTERS ERECT

Directed by Michael Raven; starring Asia Carrera, Ava Vincent, Sydnee Steele, Gina Lynn, Isabella Camille, Shayla Summers, Alec Metro, Pat Myne, Dillion Day, Evan Stone, Devon Sapphire, Spanky and Mike Horner. Videocassette: Sin City.

In *Shock Therapy*, Asia Carrera is diagnosed with ASCD: Acute Sexual Compulsive Disorder. The mentally troubled nympho lands in a group-therapy session run by Ava Vincent and populated with chronic masturbators and porn addicts. In the scenes that follow, director Michael Raven plays with viewers' orientations, never clarifying whether the action is real or just taking place in Asia's head. These directorial tricks are beside the point, thanks to Vincent's taking on of three deranged porn studs. The waifish blonde displays admirable skill in ministering to her patients with her delicate pink snizz and spuzz-hungry maw. Then there's Asia herself. Personifying the term "star quality," the fervent cockhound revels in being ravaged by Evan Stone and another lucky orderly, and even makes the unsightly grimaces of Mike Horner tolerable. Slatternly nurses Sydnee Steele and Gina Lynn contribute crotch-tightening performances to a concluding orgy, making *Shock Therapy* a necessary prescription for confirmed and undiagnosed perverts alike.

Spies in the House of Love

HALF ERECT

Directed by Tony English; starring Taylor Hayes, Raquel Devine, Charlie, Bobby Vitale and Julian. Videocassette: Vivid Video.

Tony English's latest opus of relationship smut suffers less from the tedium that afflicts many of Vivid's vanity productions. Überhot ho Taylor Hayes doesn't exhibit any of the cold-fish syndrome that other contract girls display when being fucked on camera. It's hard to believe that Taylor's onscreen hubby, Bobby Vitale, is tired of licking her slit. It turns out that Vitale has cooled on Taylor's pussy because he's having an affair with Raquel Devine, who's married to Julian. Julian and Taylor both follow Vitale and Devine to a rendezvous. The stealthy duo watch sultry Latina Charlie join Vitale and Devine for a sordid threesome. Naturally, Taylor and Julian fall for each other; Taylor sucks Julian's prodigious member with gurgling enthusiasm before he joyfully pounds her pussy raw. Thanks to the memorable female presence culled from Vivid's stable, *Spies in the House of Love* will keep strokers fairly engaged, but the tame nature of the raunch (pop-shots mostly land on backs or bellies) doesn't merit extended surveillance.

—C. T.

Devoured

HALF ERECT

Directed by Nicholas Steele; starring Silvia Saint, Julie Meadows, Felecia, Nikita Denise, Bunny Luv, Dale D'Bone, Voodoo, Alec Metro and Mark Davis. Videocassette: Adam & Eve Productions.

Grabbing the viewer by the lapels, Nicholas Steele's *Devoured* shouts "I am girlfriend-safe!" for all to hear. This slickly produced tale of twat features Mark Davis as a brooding business tycoon who alternates between lamenting the decline of his tennis game and pining for finance whiz (!) Silvia Saint. Despite her faltering English, Silvia rebuffs Mark with her negotiating skills. A downcast Davis drowns his sorrows by double-teaming the luscious Nikita Denise with stud Voodoo. Footage of pretty locations, Silvia Saint and Felecia horseback riding, and a mincing Alec Metro waste space between the tastefully shot humping scenes. Julie Meadows plays a button-cute bar owner who spreads out on a pool table with Dale D'Bone to demonstrate her impressive stick-handling skills. Although the sluts on display are all outstanding, and Silvia Saint is undoubtedly one of the golden girls of top-quality sleaze, *Devoured* is too slick for its own good and will leave most deviants feeling underfed.

—C. T.

SHOCK THERAPY: RNs dispense Ava's meds.

SPIES IN THE HOUSE OF LOVE: Taylor Hayes naps; Julian laps.

DEVOURED: D'Bone sinks one into Meadows's pocket.

HUSTLER XXX #2

THREE-QUARTERS ERECT

Directed by Pierre Woodman; starring Rita, Melinda, Nicolette, Sylvia, Dora, Marianna Gray, Alain Deloin, Bob Terminator, David Perry, James Brossman, Zoltan and Raoul. Videocassette: HUSTLER Video.

Hot on the trail of the volcanic *HUSTLER XXX #1*, the second installment of Larry Flynt's flagship of video fornication offers up five more scorching scenes of stunning carnality. The first vignette features the voluptuous Rita sprinting along the shore. When running doesn't yield enough high-impact exercise, three beefy beachcombers help Rita elevate her heart rate. Showing off her glorious, sun-ripened casabas, Rita gulps down thick servings of meat stick in the breaking surf. The insatiable lovely goes all out in a sandy D.P. and still sucks hungrily at the sausage of her third male companion. As the foamy waters cascade over Rita's flawless body, she whimpers ecstatically and kneels for a triple-load facial. The ensuing quartet of quim-stretching free-for-alls (including the aptly titled "Two Cocks in My Ass") showcases director Pierre Woodman's knack for capturing fresh, beautiful starlets reveling in the depths of depravity. If *HUSTLER XXX #2* doesn't quite measure up to the first edition, it's only because it does everything that its predecessor did without adding something distinctly new.

—*C. T.*

HUSTLER XXX #2: For the pause that refreshes, Rita prefers a cock and a smile.

Catalina Cum-Ons

FULLY ERECT

Directed by Chloe; starring Chloe, Keisha, Ruby, Ava Vincent, Justine Romee, Inari Vachs, Anthony Crane, Kyle Stone, Mickey G. and Ian Daniels. Videocassette: Elegant Angel.

Chloe throws the motherfucker of all sex parties in *Catalina Cum-Ons*. Gathering a group of her randiest friends and taking them on a tour of booty to Catalina, Chloe cheerfully captures all the degenerate action for at-home strokers. Keisha and Chloe employ a couple of oversized toys to send each other into fits of orgasmic quakes. Ruby, meanwhile, affirms her reputation as an insatiable cockhound. Ravenously sucking at Ian Daniels's member, the bulbous-butted beauty takes a hefty round of Daniels's cock from behind. Topping off her scene with titfucking and a splattery pop-shot, the redheaded cooze proves she'd be a great travel companion on any trip. Kyle Stone hits the jackpot when Justine Romee and everybody's fave, Inari Vachs, complete a shaft-stiffening threesome. Appreciative hand-pumpers will agree that nobody plays to the camera better than Inari when she's handling a gratefully throbbing dick. Chloe reappears for an anal violation with Anthony Crane. Don't turn down these *Catalina Cum-Ons*. —*C. T.*

CATALINA CUM-ONS: Mickey G. had Ava Vincent from, "Hello...wanna fuck?"

MADNESS: Pierre Woodman is especially proud of his Matrix-style cum-shot.

Madness

HALF ERECT

Directed by Pierre Woodman; starring Melody Kord, Soraya Curiel, Gabriella Tchekan, Tamara, Sylvie Raz, Judith Fox, Agnes, Paola, Laura, Edina, Suzan Strong, Zita Bernstein, James Brossman, Alain Deloin, Herve Bodilis and Franco Roccaforte. Videocassette: Private Gold.

Cineast-of-sleaze Pierre Woodman's ambition surpasses his resources in *Madness*, a blue-screen equivalent to a movie of the week. Loaded with footage of the beautiful sights of Puerto Vallarta, Mexico, and a convoluted story about a crooked real estate agent's shady business dealings, *Madness* is bogged down by excess baggage. There's no doubt that Woodman can expertly film a mouth-watering cooze being drilled by a swarthy lothario against a beautiful outdoor background, but storytelling isn't the Woodman's strong suit. That said, there are plenty of attractive trollops on display to engage in athletic sessions of anal penetration, threesomes and hearty protein facials. Strokers who do find themselves caught up in the "story" will be heartened to know that *Madness* promises to tie up any loose ends in a forthcoming sequel; all others should consider themselves warned. —*C. Dear Slut

When she starts slamming you, grab her by the arm and throw her into another position. Her bone-banging could be a nonverbal cue for more aggressive action in the sack.

style, she grinds her pelvis against mine so hard that I come away with bruises. I want to tell her to lighten up a little, but I'm afraid that trying to change anything will ruin our fantastic sex streak. Should I just clam up and bite the bullet? —S. E.
Park City, Utah

If you're worried about coming right out and telling your woman to take her gyrations down a notch, try to guide her with your hips or hold her torso down as you pump. If this fails to do the trick, stronger measures may be necessary. When she starts slamming you, grab her by the arm and throw her into another position. Her bone-banging could be a nonverbal cue for more aggressive action in the sack. It's obvious that you two click. There's nothing wrong with a little communication to fine-tune your already awesome screwing.

ON THE CHIN

Why does every guy I meet lately want to give me a cum facial? I don't care one way or the other, but every once in a while I like to feel hot sperm filling my pussy or mouth. Is it me, or are porn tapes brainwashing men into thinking that the facial is the be-all and end-all of ejaculation?
—T. S.
Bat Cave, North Carolina

The mentality in the adult industry is that if the viewers don't see the ball blast, they won't believe it actually occurred. In real-life encounters, on the other hand, a shot of jizz to the face usually isn't necessary to know that an ejaculation has taken place. Educate your bedmates by building up a library of porn by female directors such as Candida Royale and Veronica Hart, who offer less predictable cumshots. If worst comes to worst, wrap your legs around the dude, grab him by the back of his neck, and stare him down for an internal orgasm he'll never forget.

CERVIX CALL

There's something weird going on deep in my girlfriend's pussy. When I screw her in the missionary position, there are no problems, but one time she tried to climb on top, and my dick rammed against something really hard about halfway in. She squealed and jumped off, and we never tried cowgirl again. Could she have a medical condition? —B. L.
Eugene, Oregon

If you don't feel this irregularity in the missionary position, chances are you hit your girl's pelvic bone, especially if your dick has a curve in one direction or the other. If everything else is normal and your woman has no problems with tampons, you could insert a few fingers and do some probing. Better yet, tell her to consult a gynecologist.

BONE BRIGADE

I just joined a college fraternity. The other night after a long, hard drinking party, me and a couple of buddies went upstairs to find some of our brothers tag-teaming a chick. She wasn't very drunk at all, which totally surprised me. She waved us over to join in. I must have been fifth in line, but she still felt great, and we had an excellent time. The next morning, I felt kind of guilty though. The only sex I've ever had was with girls I'd been dating. Should I feel bad about the impersonal sex, or just loosen up and go with the flow? —R. J.
Austin, Texas

If your conscience is bothering you, group sex probably isn't for you. Even so, I like to try everything twice, then decide whether I dig it. Learn the girl's take on the situation. Does she regret being a frat boy-toy? If all signals are go, gather your frat brothers and give it one more shot to find out if gang-bangs are your scene.

FOOL MONTY?

I've been considering working as a male exotic dancer for women. Since you work as a headliner, I was wondering if you had any advice. How different is the biz for guys? Is this even a worthwhile career path for me to follow? —B. F.
via Internet

With female starlets, the girl's name brings in the bigger money. For male dancers, names are less of a draw. It's a dog-eat-dog world out there, and your competition will be just as catty as the women. Onstage, every bored, overweight housewife will come clawing after you. While it's standard that the men don't touch the female dancers, the same is not true in your field. It will take all your energy to keep your G-string on till you're ready to take it off. If you have the confidence and are ready to give it a whirl, go for it, but don't quit your day job.

"I'll just give you a warning this time, but in the future, I would advise you to swallow."

COLD-HEARTED COOZE

I share a house with three women: Truda, Isis and Bryanne. They're young and beautiful, but they're fucking crazy. All three are know-it-all college students and, of course, are really into women's lib. Truda doesn't shave her armpits; I think they might be dykes. Until last week, the bitches only spoke to me if the house was in need of repair. That all changed when a record-breaking snowstorm paralyzed our town and trapped everyone inside. Those girls went stir-crazy and practically raped me. Hell, I was *gang*-raped!

The snow started late in the night and dumped a good nine inches on us by morning. Classes were canceled at the university; so the girls hung around in the kitchen in their ratty panties and T-shirts, drinking herbal tea and discussing Marxism. I skulked in and poured a cup of coffee. The women paid me little mind except to smirk knowingly at each other like they always do when I'm around.

"What do you think about this snow, Mason?" Bryanne asked me, as if talking to a child. Bryanne was tall and lanky, but her tits were big and heavy. They heaved under her thin Lilith Fair T-shirt. I mumbled that the radio said it would keep snowing until nightfall at least.

"Damn!" piped Truda. "Hope we don't kill each other, being cooped up in here."

The girls guffawed in unison. Truda stretched her legs; her pubic hair crept from the sides of her plain, cotton undies. I hate how those girls intimidate me; yet I always spring a boner when I'm in the room with them. I'm forced to sidle away like a hunchback, crouching to hide my hard-on. I limped out of the kitchen and spent the rest of the day in my room, alternately jacking off and sulking.

That night, raucous noise boomed from the living room. My roommates were blasting angry female rock music and hollering gaily at each other. They sounded drunk. I turned on my television in an attempt to drown them out. My door began to rattle. I jumped; the banshees were trying to enter my room!

"Come out and party, Mason," Bryanne cooed over Isis and Truda's wild giggles. "C'mon, open the door!"

I had no choice. I approached the rapidly vibrating door and unlocked it with shaking hands. The resulting rush of hair and arms blinded me. The witches cackled, surrounding me with a kinetic vision of flailing limbs and exposed teeth. Frightened, I backed away from the creatures and against my bed, where I lost my balance and fell onto the mattress.

"We're just having some fun, Mason," Isis crowed. Isis was the tallest and most imposing of the three. She sat on my chest and smiled menacingly, her long, red hair tickling my face. Isis wore a flowing, hippie skirt. Her big, pillowy ass pressed against my lungs, betraying a lack of underwear on her part. My breath grew labored as the moisture from Isis's pussy seeped into my shirt. Bryanne perched on the pillow above my head and removed her shirt with a titter. Her pendulous knockers dangled above me, their large, firm nipples scraping softly against my forehead. "Suck on these," Bryanne insisted, dragging the sweater poundage into my mouth. I sucked helplessly on the giant hooters; Isis swooped in to French kiss Bryanne and grab a big tit for herself. I continued to lap dutifully on the remaining boob. Truda's hand landed on my cock, which was stiff and throbbing despite my fear. She unzipped my fly to grasp the chubby trouser snake within.

"Your dick's huge, Mason!" Truda howled. I gasped as she swallowed the saber whole. The sudden intake of air drew more of Bryanne's mammoth jug into my mouth. I was suffocating.

"I can't breathe," I sputtered around

Hot Letters

I yelped as the buxom brunette pumped violently on my shaft. I howled as my balls clenched and rumbled, ready to toss their ballast.

the enormous milk sack. Desperate for air, I jerked my head from side to side.

"Don't be a pussy," Bryanne scolded. "Here, munch on this for a while."

Bryanne's cunt descended on me. There was nothing to do but lick the juicy flaps. My eyes were filled with Bryanne's firm ass cheeks and the cascade of her chestnut tresses. The bed wobbled as Isis stood up, freeing my chest but restraining my wrists with her feet, and instructed Bryanne to eat her cunt. I heard wet, smacking sounds above me and became agitated that I was unable to witness the spectacle. Truda's silent, methodical mouth worked on my wang, then abruptly stopped.

"I want to ride him, Isis," I heard Truda announce. Isis grunted, enthralled by Bryanne's tongue-lashing. Evidently this was permission enough; Truda clambered onto my dong and humped frantically.

"*Ohhhh-ooooh-ohhhh*, it's been so long since I've had any cock," Truda moaned.

The ecstasy in her voice tightened my nuts. I wanted to blow a huge load into her deprived womb, but Truda's man-induced rapture apparently incited jealousy in Isis. The bed shook violently as the queen bitch rearranged everyone. I groaned mournfully as Truda's twat swiftly pulled away from my dork. Fortunately, Truda's tight cookie was quickly replaced with Bryanne's hot yam. I yelped as the buxom brunette pumped violently on my shaft. Isis sat on my chest again, this time sidesaddle. Her fluffy butt rested on my torso as Truda kneeled at the demanding dame's snapper and tongued its fragrant depths. I howled as my balls clenched and rumbled, ready to toss their ballast.

"You gonna come, big man?" Isis taunted, grinding her shit pillows into my belly as Truda's tongue flicked the big mama's clit.

"*Aaaaaauuuggh!*" I wailed.

All of the repressed nut sludge these bitches had backed up in me exploded against Bryanne's cervix. I saw stars as I panted laboriously under Isis's weight. Bryanne detached herself from my flagging pecker and crawled between Truda's legs to slurp her cooch, inserting a finger into her own pie to finish herself off. I watched with blurry vision as the three ladies came in unison, screaming like she-devils.

Everything returned to normal the next morning. The snotty dykes treated me with the usual mix of smug indifference and condescension. Those cold, cruel cunts—I was victimized. Sexual violence happens to men too. Granted, the violation felt good while it lasted. But I'm in pain; my balls ache with the yearning for more abuse. It's unspeakable what those heartless lesbos did to me. —M. J.

PIE IN THE SKY

Have you noticed how butt-ugly airline stewardesses are these days? You might be encouraged to know that there is, in fact, at least one beautiful woman left in the stratosphere. Her name is Claudette, and she alone makes the skies friendly. I used to hate airplanes. Then gracious Claudette swallowed my cock at an altitude of 35,000 feet; now the very thought of a 747 clearing for takeoff gives me a big ol' boner.

When I boarded the plane that fateful day, I had a long-ass way to fly to my folks' house in Butte (or, as I prefer to call it, Butt-fuck), Montana. Cranky as hell, I planned on downing a dozen of those airplane miniatures of whiskey and passing out. I squeezed into a seat next to a 350-pound, mouth-breathing man-mountain and scanned the cabin impatiently for a stewardess, anxious to start boozing. A blond knockout shaped like an hourglass floated by my seat. She was a vision; my mind filled with thoughts of injecting the lithesome hostess's tail with hot beef.

"Pillow?" the stunning broad inquired with a gleaming smile. The pillows nestled beneath her navy-blue vest looked mighty inviting.

"Please," I gawked, "and a highball, with you. What's your name? Let's drink."

"Claudette," the flaxen fox tittered. "I'd love to have a drink with you, but I'm working. I'll pour you that highball though."

I watched in awe as Claudette's heart-shaped ass undulated down the aisle. I lowered the tray table to hide my swelling sausage from my porcine traveling companion. Claudette returned with my cocktail and urged me to stow my tray table.

"We're preparing for takeoff," she informed me. "Maybe you and I can chat once the 'fasten seat belts' sign has been turned off; I'm off meal service today."

Maybe we can chat? Jesus Christ! I spent the next hour sweating in anticipation. The plane took off, bounced, leveled out. My dick ached. After an eternity of squirming, Claudette drifted by and whispered in my ear, "Use the rest room."

I lurched down the aisle toward the lavatory and spied Claudette in the stewardess area, bent over a cart and clutching a can of Diet Coke in her hand. Stumbling into the tiny bathroom, I stood in darkness, my white-knuckled hands clutching the bars alongside the toilet. I heard a light tapping against the door.

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

E-nonymous Footsie

THE FACES BEHIND ONLINE FEET

BY MICHAEL ISWAN • ILLUSTRATION BY GODFREY DANIELS

It's early on a Wednesday evening at Tori and Dan's house. Tori is barefoot, naked and lounging on a couch in the living room, but for the Webmistress of Tori-N-Dan's Foot Fantasy (www.tori-n-dan.com), it's the beginning of another day's work.

Dan trains his digital video camera at his wife's feet. Tori, well versed in the art of satisfying the visual needs of foot fetishists, slowly scrunches her soles until the skin on the bottoms of her feet puckers and wrinkles. A close-up of Tori's shapely hooves appears on an oversized computer monitor that sits on a glass-topped coffee table in the living room.

Almost immediately, eight user names appear on Tori's computer screen, including Toe-lover and Ankle-biter, two die-hard foot freaks who regularly log onto Tori's live "chat-cam" to take in real-time erotic toe antics.

Unseen by Dan's video camera, which only has eyes for feet, Tori types a greeting into a keyboard that sits on her lap.

"So, are my foot slaves ready?" Tori asks.

"Your adoring foot slave is always ready," Toe-lover responds.

Tori slowly flexes her toes apart until the skin between them is stretched taut and the tendons stand out on the back of her feet. Dan's camera zooms in on the whorls on the bottoms of her toes; two giant digits fill the entire computer screen.

"Oh, my God, spread them," Toe-lover writes. "Spread them, please."

"I do that so often, I don't even realize I do it," Tori writes.

Ankle-biter breaks in to announce that he has one hand on his keyboard and the other on his joy knob. "God I love those spread toes," he writes.

Tori steps out of the camera's view momentarily, then reappears wearing a pair of black, high-heeled shoes. The onscreen feet perform a striptease, allowing the pumps to gradually slide down the top of each foot and expose toe cleavage until a shoe dangles from each big toe. Finally, the heels drop, and Tori flashes her nude feet at the camera.

"Succulent little toesies," Ankle-biter writes. "So lickable."

"Anyone for a close-up?" Tori asks.

"Please," Toe-lover writes.

"How close?"

"Like in-your-mouth close."

The woman behind the online feet politely declines to munch her moneymakers; Tori's face never appears on her site—not in any clickable photo gallery, nor on any live feed. Tori-N-Dan's Foot Fantasy focuses on the feet, the whole feet and nothing but the feet.

The contours and convolutions of women's feet have been adored since the time of ancient Egypt. In the millennia since the pharaohs savored shrimp on the Nile, foot worshiping has run the gamut of sexual possibilities—from trampling to toe rings, from platform shoes to pantyhose—but with the advent of the World Wide Web, foot fancy has stepped up its profile considerably.

Sweetpea, a young woman who until recently showcased her provocatively posed feet on her own, completely free online foot emporium, believes that the privacy inherent to Internet sleazemongering has encouraged closeted foot freaks to embrace their offbeat desires.

"I know how frustrating in real life a foot fetish can be for men," says Sweetpea, whose Web site evolved out of a foot-worshiping relationship with her boyfriend/Webmaster (time constraints have recently compelled her to abandon the endeavor). "They can stare and enjoy my feet for as

"All I'm really interested in are the feet. I'm looking for nice, deep arches and little, round toes. Does that make me weird? I can't explain it—feet are just my thing."

long as they want, without having to avert their eyes and worry that they might get caught."

Toe-Man is the online handle of a Lebanon, New York, Websurfer who says that Internet foot-sex sites liberated his love life.

"For most of my life, I was convinced that I was abnormal because I like to jerk off to feet," Toe-Man says. "I felt ashamed of getting online and touring the foot sites. But I started to E-mail back and forth with some of the women who run the sites; they were encouraging and supportive, and I saw that I was part of a community of foot worshipers. I finally felt like I could open up to my wife about what really turns me on."

Closeted foot freaks love the privacy that the information superhighway affords, but the Web is also an ideal medium for camera-shy amateur foot models who may crave online fame and fortune, but don't want to be exposed to friends, family and coworkers. Part of what attracts so many amateurs to the Internet foot-sex business is the notion that their above-the-ankle identity will remain a secret.

"We decided that it was very important to keep anonymity right from the very start," says Tori, of Tori-N-Dan's Foot Fantasy. "It's important for me to keep my life online separate from the rest of my life, and identity is much more difficult to secure based on pictures of only feet and legs."

Sweetpea's feet would instantly be recognized by thousands of loyal Internet fans, but the same foot-obsessed devotees, men who know Sweetpea from the deep cleft of her arches to the crease around her toenails, would have no idea if she was standing next to them in line at the supermarket. Sweetpea's feet saturated the Web, but her mug was nowhere to be seen.

"I'm just your average country girl next door, and I want to keep it that way," says Sweetpea, who teased viewers by obscuring her face with a hat or her arm in her photo galleries. "I enjoy being a pseudo Net-celebrity; I love going into a chat room and having someone say, 'I can't believe I'm talking to *the* Sweetpea.' I can do just what they want, and I never have to go beyond a PG-13 rating."

Simona runs Barefoot Si (www.barefootsi.com), an extensive Web site that specializes in photo galleries of her feet clutching objects such as teddy bears, gravel, toys, cigars and stockings.

"I'm a 23-year-old law student in Prague, not a professional foot model," says Simona. "I run the site so I can buy designer heels and get expensive pedicures, but I'm not in this to make myself into some kind of celebrity. My feet may be famous, but my privacy is important."

"People masturbate while looking at my feet; they want to see my face, but I keep boundaries," says Gemma, of www.gemmasworld.com, a modest but free Web site that features Gemma's toes sporting a rainbow assortment of nail-polish colors. "Some people let the market lead them into doing more, but I do it for fun, not money."

The likes of Gemma and Simona don't bare their faces, let alone their breasts, but amateur foot models pay a price for their anonymity—most below-the-knee sex sites fall well short of hitting the E-commerce jackpot.

"I don't make money out of [my site]; I just do it for the fun and to meet crazy people on the Net," says Miss F., a 26-year-old Dutch girl who runs http://sandal.fetish.web1000.com.

Privacy is a concern for amateur models who take their feet online as part of a kinky turn-on, but in the case of less-attractive females, the Web's anonymity can also help snag suitors.

"I don't care what feminists say—when a woman's just average-looking, but her feet are nice, it's a way to attract men who would otherwise never look their way," says Terry Wilson, who runs Feet Dreams (www.feetdreams.com) as a small business out of her home.

Richard Marshall, a habitué of foot-fetish sites, is unnerved by foot sites where masturbatory material is restricted to the lower leg.

"What happens if the feet you're jerking off to belong to a man?" Marshall asks. "You'd have to be a real hard-core foot freak to be able to get off on just a pair of feet, without seeing the girl's face."

Marshall is apparently in the minority; foot fetishists, even more so than practitioners of other kinks, tend to focus their erotic attentions to the point where individual identities are moot.

"Faces are distracting," Big Ed, a Los Angeles-based, online foot fanatic, writes via E-mail. "All I'm really interested in are the feet. I'm looking for nice, deep arches and little, round toes. Does that make me weird? Why does anyone like anything? I can't explain it—feet are just my thing."

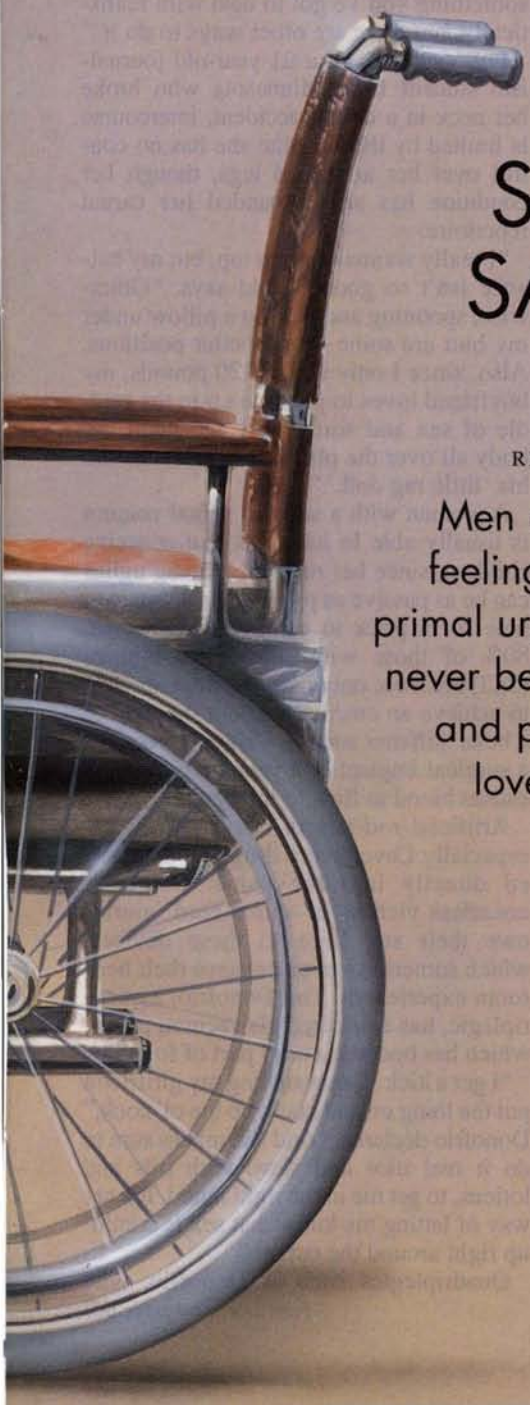
SEX, STIMULATION AND SATISFACTION WITH AN INJURED SPINE

REPORT BY RENI LAGORIO * ILLUSTRATION BY LORENZO SPERLONGA

Men and women with spinal-cord injuries usually lose the feeling in their loins along with the ability to walk, but the primal urge to screw knows no bounds. Doing the nasty may never be the same with a broken back, but through physical and pharmaceutical experimentation, many handicapped lovers are finding their way back to sexual satisfaction.



After Mark Hanaway broke his neck diving into Pennsylvania's Allegheny River, he thought his prospects for a fulfilling sex life were wrecked forever. The stark reality of his situation was unavoidable: The neurological connection between his cock and brain had been permanently severed. To make matters worse, Hanaway, a 20-year-old college student at the time of his injury, had been sexually active for about three years; so he was perfectly aware of what he would be missing.

"I just didn't know if I would experience those good feelings ever again," Hanaway recalls. "It looked like I was losing my manhood."

The good news was that Hanaway's injury spared the nerves in his lower back that allowed him to achieve passable, if short-lived, boners.

The bad news, in addition to the fact that Hanaway lost the ability to move his arms and legs forever, was that even though he could manage an erection, he couldn't feel a thing—not that the lack of sensation kept him from fucking. ➤

Handi-Capable Love

"My boyfriend loves to pick me up in the middle of sex and sorta twist and bend my body all over the place. He even calls me his 'little rag doll.'"

"Early on in my rehab, I was still together with my girlfriend from before the injury, and we did manage to have sex a number of times," Hanaway recalls. "It was pretty frustrating—I couldn't move around or get any sensation in my penis. With the paralysis being so new, I had no way of telling what was going on in my body. We went through the motions, but it felt, well, empty. I had to wonder, *Is this ever gonna be worth my while?*"

Thirteen years later, that question appears to have been settled for good.

"Yeah, I enjoy sex just as much as I enjoy anything—as much as I enjoy living," Hanaway says. "My body has taken on a whole new set of pleasure zones. What people probably don't realize is that even with paralysis, your body still talks to you in subtle ways. It's not like being numb; your heart races, your breath quickens, you feel twitches and tingles, your muscles tighten, and then there's a release, followed by a state of relaxation. It's not the same thing as before, but who's to say it's any less real?"

Most victims of a broken back or neck eventually adapt to their new, "differently abled" bodies; handicapped sex becomes its own brand of erotic experience. Although he is currently single, Mark Hanaway continues to be sexually active; nonetheless, he refuses to see the notches on his bedpost as evidence of a disabled-person-beats-the-odds story.

"I was left with control over 20% of the body I had before the accident, and it's just a matter of making the most of what you've got left," says Hanaway, who at 33 is the head of marketing for a Pennsylvania company. "Dating isn't easy, but I can say that sex has become a regular part of my life again. Of course, I'd be lying if I said there wasn't room for more. It's still never enough."

* * *

Mishaps such as car crashes and diving accidents have left an estimated 250,000 Americans paralyzed, but most victims of spinal-cord trauma find a way to maintain their sex lives, albeit under difficult circumstances.

In 1978, HUSTLER Publisher Larry Flynt was fighting an obscenity charge in Lawrenceville, Georgia, when he was hit by a pair of bullets fired by a would-be assassin. Nerve fibers at the base of Flynt's back were severed, rendering his legs useless and impairing his ability to achieve an erection. Fortunately, Flynt's sensory nerves were intact; so he had feeling in his penis. Unfortunately, all he felt was agony.

"I didn't have sex for about four years because I had chronic pain," Flynt says. "Just think about having a horrible toothache, and having sex—you just can't perform; you just can't concentrate; you can't focus."

Flynt checked into Duke University Medical Center and had an operation to relieve him of pain, leaving him free to fuck, with the help of a penile implant.

"The biggest frustration I have is that my positions are limited," Flynt says. "For example: doggy-style. There's no more doggy-style. You're extremely limited."

Flynt concedes that sex is never a simple proposition for a paralyzed person.

"Not everybody with a spinal-cord injury can have sex," Flynt says. "It's something you've got to deal with realistically, but there are other ways to do it."

For Vickie Dahl, a 21-year-old journalism student from Minnesota who broke her neck in a diving accident, intercourse is limited by the fact that she has no control over her arms and legs, though her condition has also expanded her carnal repertoire.

"I really wanna do it on top, but my balance isn't so good," Dahl says. "Otherwise, spooning and putting a pillow under my butt are some of the better positions. Also, since I only weigh 120 pounds, my boyfriend loves to pick me up in the middle of sex and sorta twist and bend my body all over the place. He even calls me his 'little rag doll.'"

A woman with a severed spinal column is usually able to have sex and conceive children, since her role in bumping uglies can be as passive as providing a warm, wet hole for a prick to call home. However, 80% of those with spinal-cord injuries (SCI) are men, only half of whom are able to achieve an erection without the help of a bone stiffener such as Viagra, Caverject, a surgical implant or a vacuum pump that causes blood to flow to the penis.

Artificial rod-raisers can be awkward, especially Caverject, a drug that is injected directly into the penis. However, countless victims of spinal-cord injuries owe their sex lives to these devices, which sometimes even enhance their bedroom experiences. Tim Donofrio, a quadriplegic, has eroticized his vacuum pump, which has become a sexy part of foreplay.

"I get a kick from watching my girlfriend put the thing on and crank up the ol' cock," Donofrio declares. "And she makes sure to do it real nice and slow, with oils and lotions, to get me in the right mood. It's her way of letting me know that sex is comin' up right around the corner."

Quadriplegics such as Donofrio, who

"I took the compound orally. I ejaculated 27 times out of 30. Lemme tell you, after three years of not coming, that first one was great."

are paralyzed from the neck down, have the best shot at being able to achieve natural erections, since their below-the-waist anatomies, along with the nerves that jump-start boners, are usually intact.

"Yeah, the quads are the real jocks," quips Mitchell Tepper, Ph.D., a nationally recognized sex educator and the founder and president of the Sexual Health Network, a group established in 1996 to promote research on disability and sex.

Compared to problems with erections, ejaculation is a much tougher nut to bust, as evidenced by the 90% to 95% of men with SCI who can't come.

Unlike an erection, which is a simple reflex, ejaculation requires different processes involving various nerves along the spine, making it a much more complicated neurological feat.

"I wanna shoot my load so bad that I just can't get it out of my mind," complains Derek Otis, who is partially paralyzed from the waist down. "I can still get okay erections with my wife's help, and somehow that makes not coming all the more frustrating. There's all this buildup, but it never goes anywhere."

After actor Christopher Reeve was paralyzed in a horseback-riding accident, media attention raised the public's awareness of spinal-cord injuries, but this heightened interest has not extended to how the bodily changes brought on by a severed spine affect sex. Nowhere is the silence on this subject more onerous than in the medical establishment.

"More often than not, health professionals who deal with people with SCI gloss over or overlook those important changes in sexual function and sexuality," says Tepper, himself a quadriplegic. "The lack of information on how these changes affect the body is one of the biggest issues out there."

Jim Blair is neither a doctor nor a scientist—he works with disabled people in Berkeley, California—but that hasn't prevented him from carrying out his own wildcat drug study. Blair hopes to enhance the neurological capacity in the spinal cord in order to help the test subject—that is to say, himself—shoot his wad.

Blair fractured his neck in a diving accident in Belize seven years ago, but he was fortunate—his spine was not completely severed, and his head retained some neural connection to the rest of his body. Using biofeedback techniques, Blair gradually regained limited feeling and movement throughout his body. Modern medicine made it possible for Blair to walk again, but when it came to rehabilitating his penis, Blair was on his own.

"There are a lot of advances being made at the point of injury, but there's very little research on sexuality, and most of the money available for that goes to fertility studies. But I'm about having sex."

In a country where a pill exists to treat nearly every imaginable affliction, there's no drug available to help a person in Blair's predicament. Although Viagra can induce an erection in nearly any piece of meat, Pfizer's rod-raiser does not induce ejaculation. Blair suggests that men with SCI comprise too small a market for a pharmaceutical company to invest half a billion dollars in developing a new drug.

Given that the cogs of big business refuse to move for the sake of crippled men who want to dump chum, Jim Blair set out on his own to find a way for a paralyzed person to ejaculate. He scoured the medical libraries at Stanford University and came across a study conducted by a German specialist in spinal-cord injuries, Ludwig Guttman, in which a drug called neostigmine was injected directly into the spinal cords of men with SCI.

"His research subjects ejaculated immediately," Blair enthuses, though he concedes that Guttman's experiments were abandoned after one of his subjects died.

Undeterred, Blair discovered that physostigmine, a variant of the drug that was used in Guttman's studies, was available in the United States. In consultation with a clinical urologist at Stanford, who agreed to set the dosage and monitor the results, Blair tested the drug on himself.

"I took the compound orally, and each time, I had a window of about 40 minutes to an hour to get it done," Blair reports. "Well, I ejaculated 27 times out of 30. Lemme tell you, after three years of not coming, that first one was great."

While Jim Blair conducts his one-man crusade to spill his soup, technology and commerce have teamed up to coax semen out of a quad's balls. One device specifically for men with spinal-cord injuries vibrates and strokes the cock simultaneously. Unfortunately, the FertiCare personal vibrator costs nearly $400, is available only by prescription, and fails to induce orgasm in a fifth of the men who use it.

Where plastic and voltage fail, however, the human body sometimes scores remarkable successes. Just as those who are blind are said to develop extraordinary capacities in their other senses, some victims of paralysis have claimed to experience phenomenal quasi-orgasms.

"Many people report an area of hypersensitivity right above the level of the injury, which, when stimulated, causes sexual arousal and sometimes even

orgasm," notes Mitch Tepper. "Others have reported orgasm as the result of stimulating the ears, neck and breasts."

"I've found that I can actually achieve an orgasm by performing oral sex on a girl," says Larry Flynt. "Before, it wasn't that way—I would perform oral sex, but I would want to give it the old one-two. I can't explain why it happens."

Still more astounding are stories that regularly surface of women with broken backs and necks who experience "phantom orgasms" originating from unlikely places, such as the shoulder, the chest or even the chin.

Barry Komisaruk and Beverly Whipple, both researchers at Rutgers University, looked into these reports of orgasm in women with severed spinal columns. Komisaruk and Whipple asked 16 women to masturbate in a laboratory setting. Even though the test subjects had no sensation below the chest and were incapable of receiving nerve stimulation from their pleasure centers, three of them exhibited the hallmarks of orgasm: increases in blood pressure, heart rate, pain threshold and pupil dilation.

"It was a complete surprise," says Komisaruk, who hypothesizes that any part of the body is capable of excitation, tension and sudden release. "We knew there had to be another pathway at work."

Komisaruk and Whipple believe that they have stumbled upon an undiscovered route to orgasmic sensation in the vagus nerve, which wends its way through the female body, from the cervix through the abdomen, chest cavity, neck and into the brain stem, completely bypassing the spinal column.

Research into the connection between the vagus nerve and orgasm in women may lead to a pill that is capable of producing orgasms in paralyzed women.

Until that time, and even then, para-sex will rarely be smooth sailing, especially for the able-bodied partners of people with spinal-cord injuries.

"There's the immobility, the loss of bowel and bladder control—there's a lot of things that a casual sexual partner could potentially have to deal with," says Bill Lane, a paraplegic in Sydney, Australia, who broke his back in a motorcycle accident 12 years ago.

For Leanne Otis, whose husband Derek fell off an eight-foot ladder and snapped his spine while installing Christmas lights, having sex has become an amalgam of physical and emotional frustration.

"I really think some of our problems have to do with us being together as a couple before Derek's accident," Leanne says. "We used to have great sex, and now he feels self-conscious and even ashamed because the way we make love has changed—like with the ejaculation issue. There were a few times when we kept on fucking until I was all sore and his penis would get bruised. But he was just obsessive about it, and he'd insist that we keep going until he could come. And then when he finally couldn't do it, we'd both feel all that much worse.

"I don't know if there's anything else I can do, other than be supportive and be there for him," Leanne adds. "I can't make him come to terms with what his body may not be able to do. He has to do that for himself."

The trauma of a spinal injury understandably leaves many formerly able-bodied people with a feeling that they have something to prove. Vickie Dahl, a quad who broke her neck in a diving accident when she was 14 years old, feared that because of her disability, no one would ever consider her a viable sexual partner.

"For the first two years I was totally depressed," Dahl recalls. "I thought my wheelchair was ugly, I was ugly and nobody would ever wanna go out with me. Everyone at my junior high knew me from before, and I think they all just felt sorry for me. But then I went away to summer camp, where I met these boys who thought I was cute, and I ended up going out with one of them—he was a para [paraplegic] himself. That's when I realized, *Hey, wait a minute—I'm pretty, and I have a good personality.* I started to care more about my looks, and do my hair and wear nicer, more stylish clothes."

In due time, Dahl had her cherry popped and is up to her fourth beau. Her current boyfriend, who is able-bodied, has to adapt his sex life to Dahl's particular needs, but she doesn't pity him one iota.

"I'm pretty hot; so he shouldn't mind," Dahl says.

Despite the awkward adaptation periods, and for the sake of practicality, the majority of paralyzed people who date wind up paired with a nondisabled partner.

"You don't get a lot of disabled-on-disabled relationships," says Mark Hanaway. "Not that it can't happen, but if it did, it would be like wind chimes, because of the wheelchairs clanging."

Dana Stevens, a 55-year-old New Yorker, met her current husband, Gabriel, a paraplegic, after she had already been through a 20-year marriage.

"I probably wouldn't have even considered marrying Gabe when I was younger, but my priorities have changed now that

HUSTLER HUMOR

A streetwalker was hit by a car. By the time an ambulance showed up, the whore was sure she'd been blinded.

"Help me!" she cried to the man who was treating her. "I can't see!"

"How many fingers do I have up?" the paramedic asked.

"Oh, shit!" the pross wept. "I'm paralyzed too!"

Richard and Sean were leaving work. "Man!" Sean exclaimed. "I can't wait to get home and rip off my wife's panties!"

"You're that horny?" asked Richard.

"No," Sean replied, "they're crushing my nuts."

Question: Why are blondes like shrimp?

Answer: You can throw out the head, but the pink part is good.

Mbuke the cannibal took his son hunting. As they crouched in the bushes by a cow path, people from nearby villages would pass.

Soon, an old man hobbled down the road.

"There's one!" whispered the kid.

"Too old," his father shushed.

Shortly after, a scrawny young man ambled by.

"How about him?" asked the son.

"Too skinny," Mbuke hissed.

Finally, a lovely, 19-year-old girl came into view, her full ass rippling with each step.

Mbuke's son said, "Wow! Let's eat her."

"Don't be stupid," the savvy hunter replied. "We take her back alive and eat your mother."

After a few too many, Tom picked up a bar bitch. On the way home, he drove the wrong way down a one-way street and was promptly pulled over by a cop.

"Have you been drinking?" the policeman asked the driver.

"Why?" Tom slurred. "How fat is she?"

Ernie was driving down a quiet country lane when—*whack!*—a rooster disappeared under his car in a cloud of feathers.

Shaken, the driver stopped at a nearby farmhouse. Ernie found the farmer and stammered, "I think I killed your rooster; please allow me to replace him."

"Suit yourself," the farmer replied. "The hens are 'round the back."

Question: What do you say to a black girl who begs to fuck you?

Answer: "How much?"

Two seagulls were flying over the Churchill Downs in the middle of the Kentucky Derby.

One turned to his companion and said, "I'm putting everything I have on number seven."

Pinocchio stomped into Gepetto's workshop.

"Pop," the puppet groused, "every time I fuck my girlfriend, she gets a splinter."

"Here's what you do," the wood-carver suggested. "Rub a little mineral oil all over your rod every day."

"And that will keep my wood from drying out?"

"No," Gepetto said, "but you won't miss girls so much."

The HUSTLER Dictionary defines *Jewish cooze* as: Labia menorah.

Nancy went for her first eye exam in years. The optometrist pointed to the smallest type on the eye chart. "Can you read the letters on this line to me?" he asked.

"No," the young woman said, squinting.

"How about this line?" the eye doctor asked, pointing to some larger type.

"I can't even guess."

The doctor worked his way up to the largest type on the chart, but the girl couldn't make out a single letter. Frustrated, the optometrist whipped out his joint and waggled it in the patient's face. "Can you see this?" he asked.

"Of course," Nancy said. "It's a dick."

The eye doctor smacked his forehead. "There's the problem!" he said. "You're cockeyed."

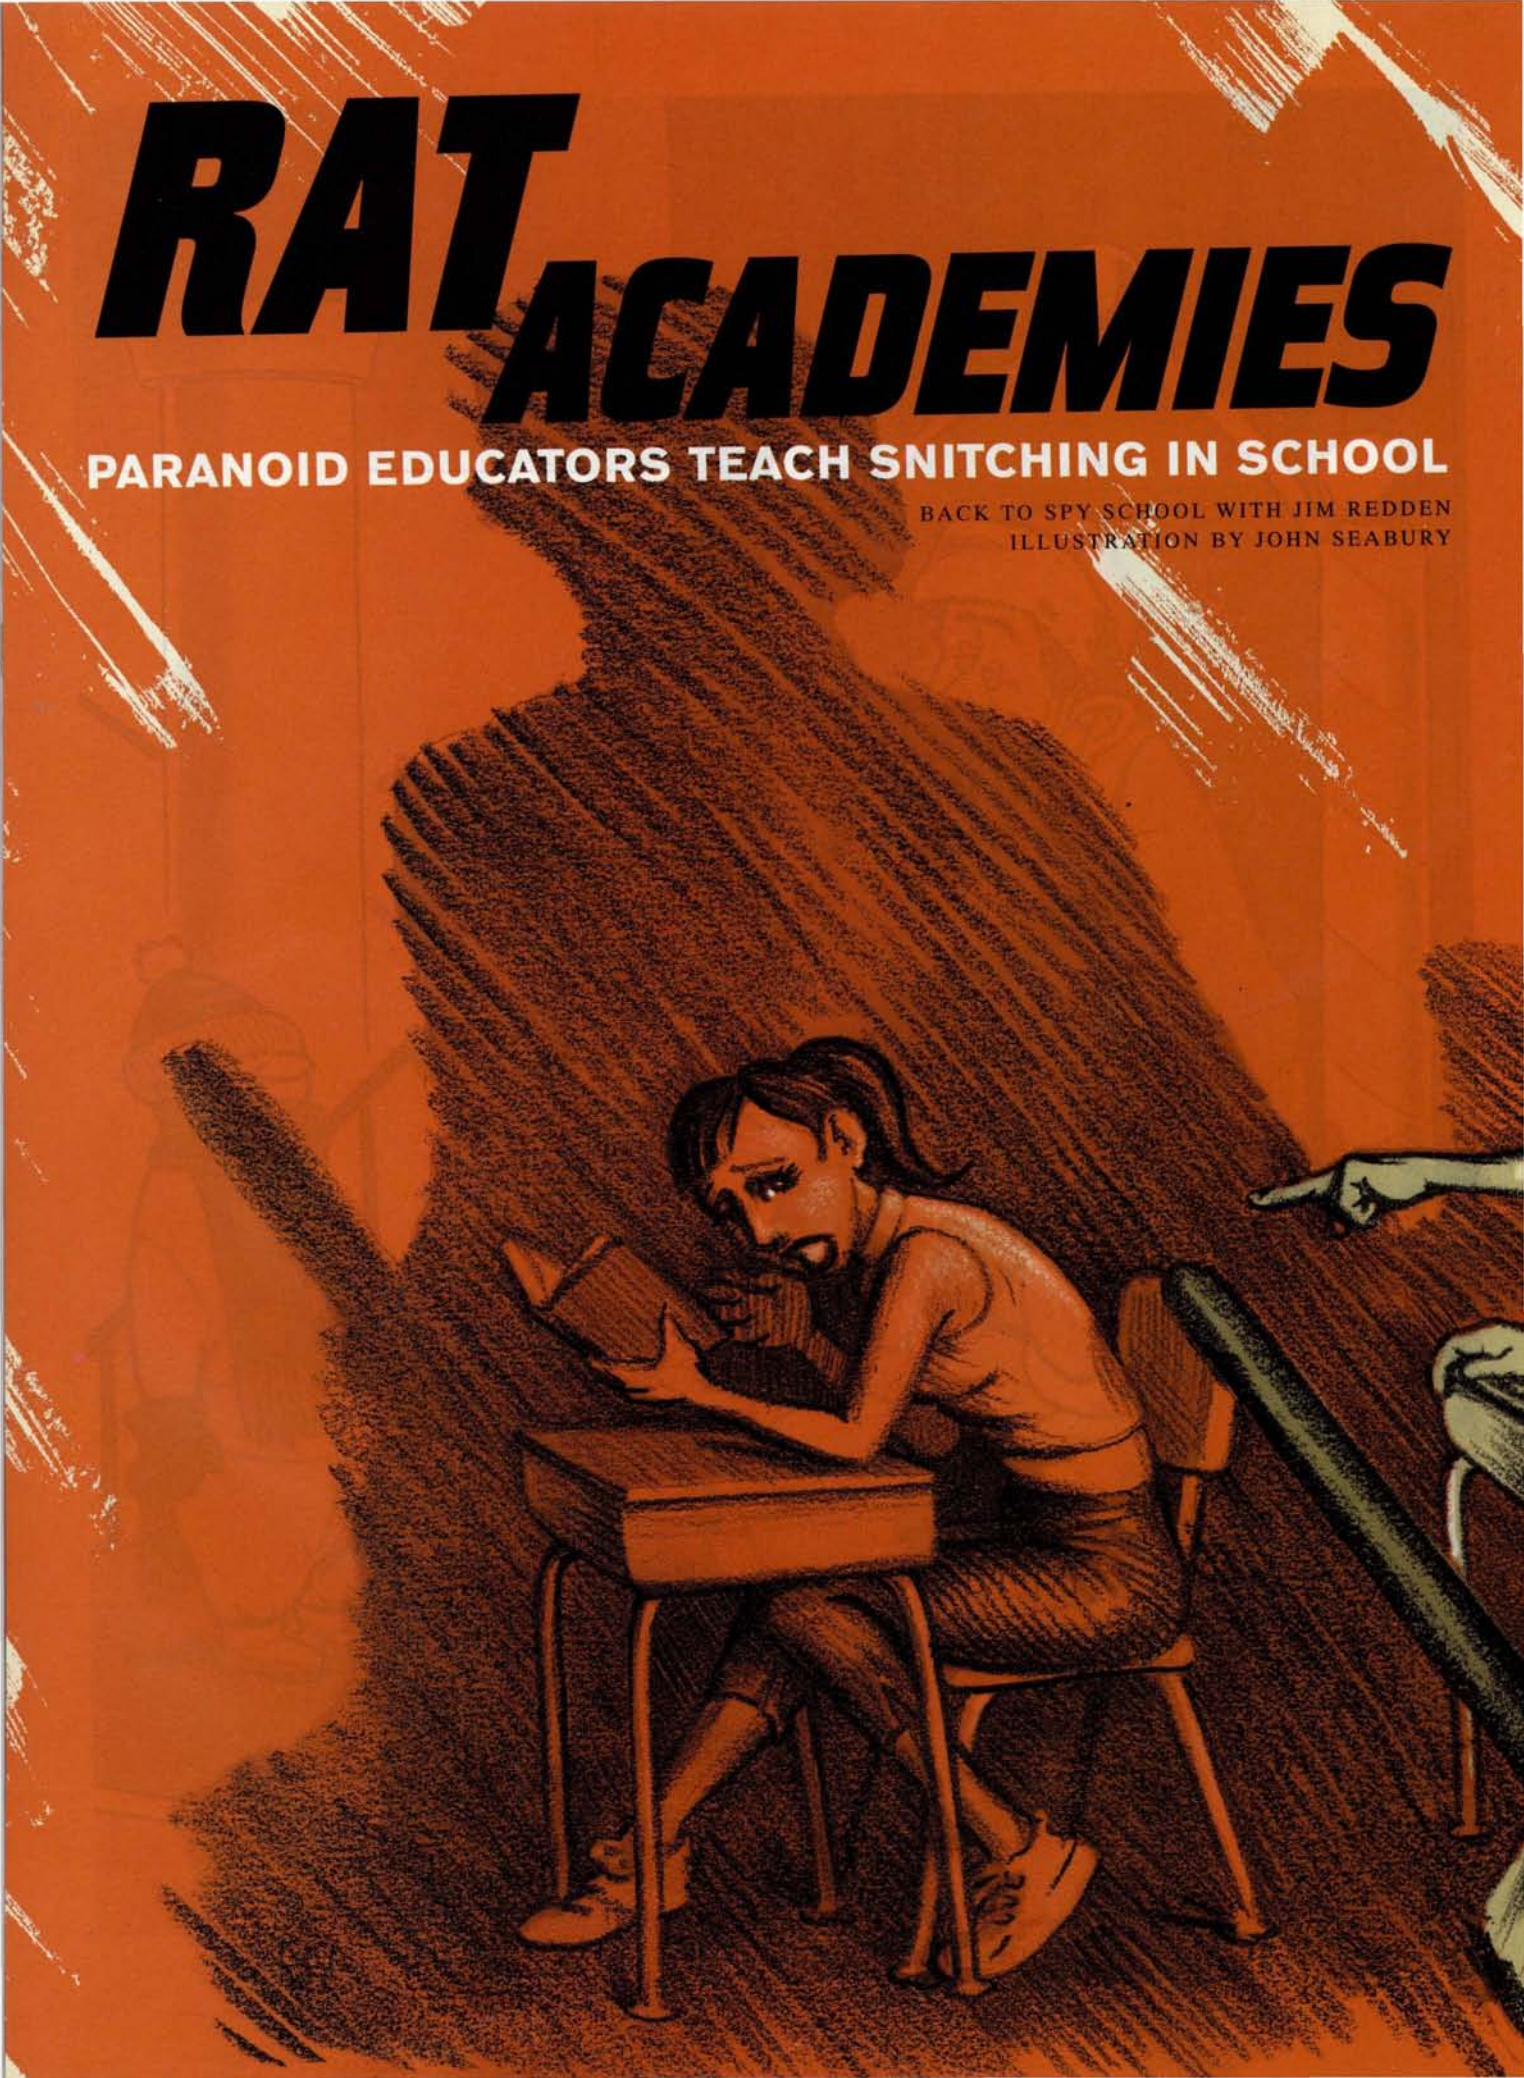
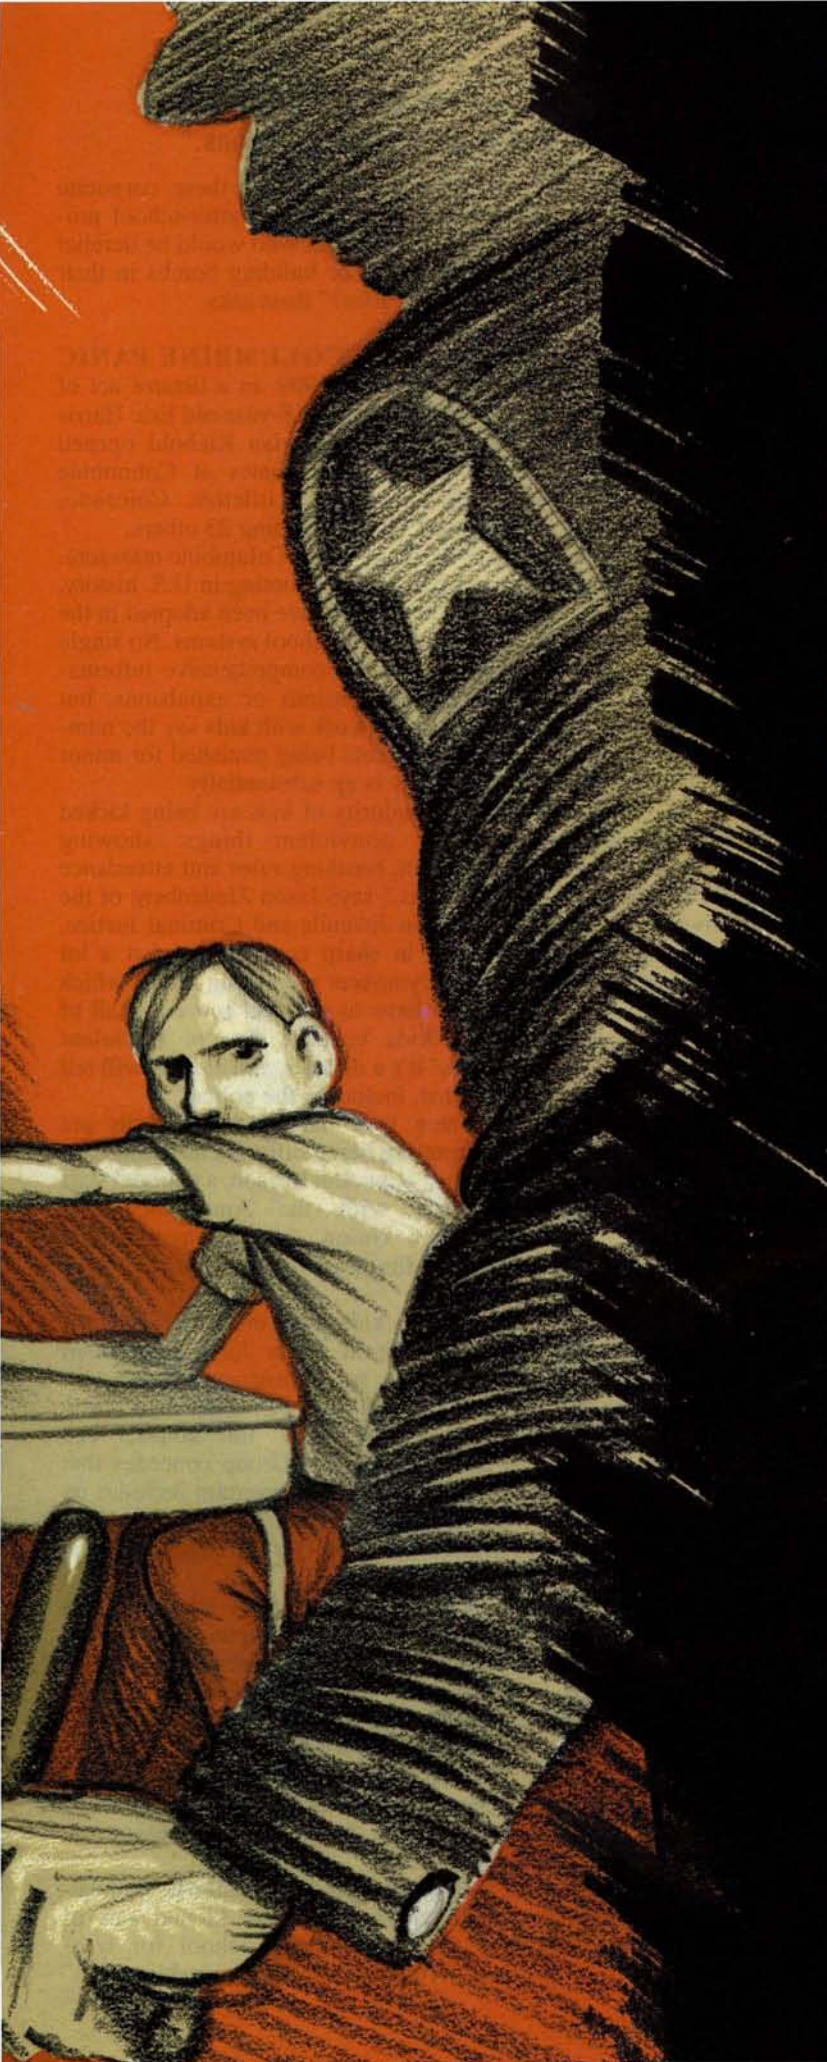
RAT ACADEMIES

PARANOID EDUCATORS TEACH SNITCHING IN SCHOOL

BACK TO SPY SCHOOL WITH JIM REDDEN
ILLUSTRATION BY JOHN SEABURY





In the aftermath of the 1999 bloodbath at Columbine High, superintendents across the country vowed to make schools safe at any cost. By the start of the next academic year, spy cameras had sprouted up in hallways and cafeterias. Meanwhile, programs were put in place to turn classmates into informers for administrators who see a potential suicidal gunman in any disaffected child. Now that students are just one more surveillance tool to weed out freaks, nonconformists and loners, every kid is a target.

In 1967, Ron Jones, a first-year history teacher in Palo Alto, California, conducted an experiment to demonstrate to his high-school students how easily Adolf Hitler rose to power in pre-World War II Germany.

Jones concocted a motivational program he called the Third Wave; he invented a salute—an upraised hand curved in the shape of a wave—and drilled his pupils in the proper ways to sit at their desks, do homework and answer questions. Membership cards were issued, and student "monitors" enforced strict adherence to the program's rules.

In spite of Jones's good intentions, it wasn't long before his civics lesson spun out of control.

"Students were becoming like the Gestapo and giving me personal information on other students," Jones recalls. "Students were trying to proselytize other classmates to join. And if someone objected, they could be physically attacked or coerced into joining."

After a week, the dismayed history teacher put an end to his experiment. "We have all tasted what it was like to live and act in Nazi Germany," Jones told his class. Some of his students cried when they realized how enthusiastically they had embraced what amounted to fascism.

In 1981, Norman Lear produced an ABC-TV After School Special called *The Wave* that was based on Ron Jones's experience. A book based on the movie became an international best-seller, and in 1992, the German government invited Jones to speak at a conference in Nuremberg on the dangers of totalitarianism.

Today, Ron Jones is shocked that the North Carolina public-school system has adopted a student-informant program called Working Against Violence Everywhere (WAVE America). Developed and operated by the Pinkerton Services Group, the world's largest security company, WAVE America staffs an anonymous, toll-free phone line that students can use to rat out their classmates 24 hours a day, seven days a week. Pinkerton officials say they were unaware of Ron Jones or his experiment when WAVE America was being developed, but Jones is amazed by the similarities between the two programs, beginning with the name.

"It's somewhat mysterious and frightening," Jones says.

Brave New Schools

"We are doing a bunch of things in schools that may do more harm than good. We're turning the schools into places that resemble prisons."

WAVE America is one of many informant programs instituted in public-school systems in recent years—school systems that already install metal detectors in their buildings and institute compulsory dress codes.

"We are doing a bunch of things in schools that may do more harm than good," says Jason Ziedenberg, a researcher with the Center on Juvenile and Criminal Justice, a Washington, D.C.-based policy institute. "We're turning the schools into places that resemble prisons."

SNITCHING 101

"Thank you for calling the WAVE Safe Schools tip line. My name is Phillip. How may I help you?"

Phillip's voice is smooth and reassuring, with a slight southern drawl. He is one of several "communication specialists" hired by the Pinkerton Services Group to field phone calls about potentially dangerous students.

"Public education" materials developed by Pinkerton urge callers to report school children who exhibit "early warning signs" of violence, including normal adolescent behavior such as "social withdrawal," "feelings of being picked on," "low school interest and poor academic performance" and "expression of violence in writings and drawings."

When WAVE America was unveiled by North Carolina Governor Jim Hunt on February 10, 2000, Dave Komenas, a North Carolina resident, launched an Internet petition opposing the program.

"I saw the press conference and went to the [WAVE America] Web site, and the more I looked, the madder I got," Komenas says. "If you tell kids to snitch on one another, they'll eventually be asked to snitch on their parents. Read your history. The Nazis told kids to tattle on one another, and then on their parents.

"We live in a police state," Komenas snorts; his Internet petition against WAVE America sparked an avalanche of angry phone calls and E-mail messages to Tamera Park, Pinkerton's public-relations director for the WAVE America program.

"It was: Get a cup of coffee, listen to my phone messages, get cussed out, read my E-mails, get cussed out," Park recalls.

Deborah Ross, executive director of the North Carolina chapter of the American Civil Liberties Union, thinks the money allotted to informant programs such as WAVE America could be better spent.

"Why don't they get these corporate sponsors to underwrite after-school programs to give kids who would be derelict on the street, or building bombs in their basement, jobs?" Ross asks.

THE POST-COLUMBINE PANIC

On April 20, 1999, in a bizarre act of rage and revenge, 18-year-old Eric Harris and 17-year-old Dylan Klebold opened fire on their classmates at Columbine High School in Littleton, Colorado, killing 13 and wounding 23 others.

In the wake of the Columbine massacre, the worst school shooting in U.S. history, tough new rules have been adopted in the nation's 15,500 school systems. No single agency collects comprehensive information on suspensions or expulsions, but experts who work with kids say the number of students being punished for minor infractions is up substantially.

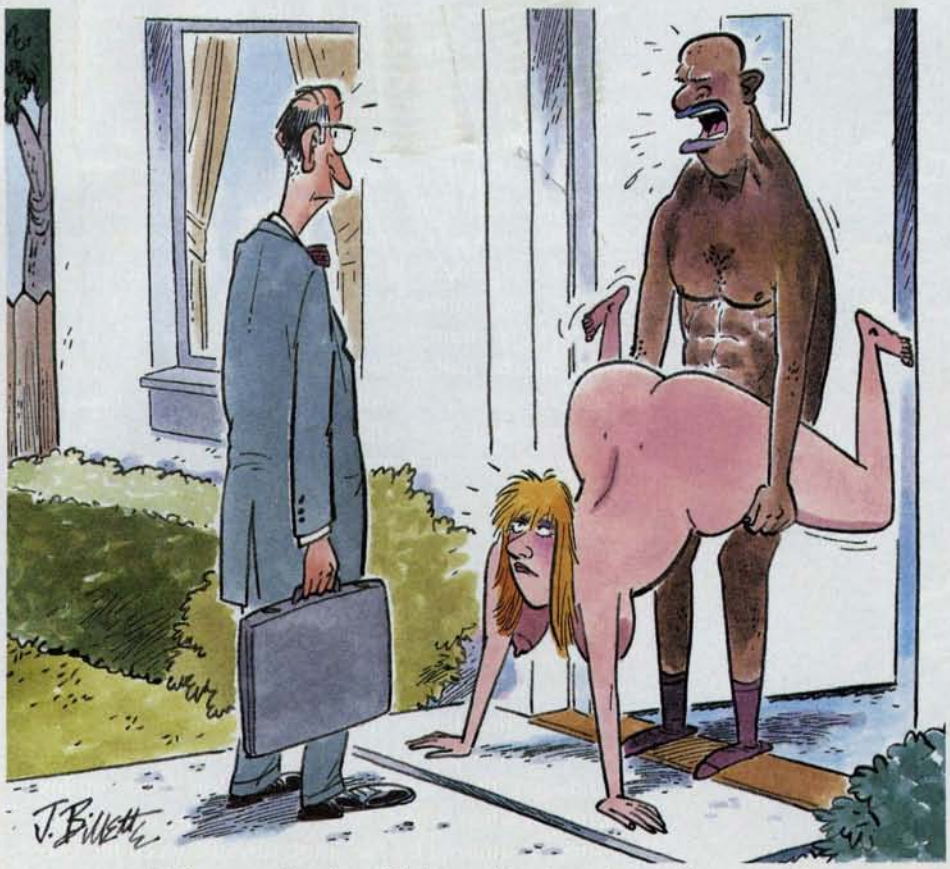
"The majority of kids are being kicked out for nonviolent things: showing disrespect, breaking rules and attendance violations," says Jason Ziedenberg of the Center on Juvenile and Criminal Justice. "That's in sharp contrast to what a lot of policymakers are saying now—which is, 'we have to suspend and expel all of these kids because they're a violent threat.' It's a disaster, and anyone will tell you that, including the police."

"There is a danger that schools are interpreting being different as being dangerous," says Ann Beeson, a national staff attorney with the American Civil Liberties Union. "Any nonconformist student fits some sort of profile of a killer."

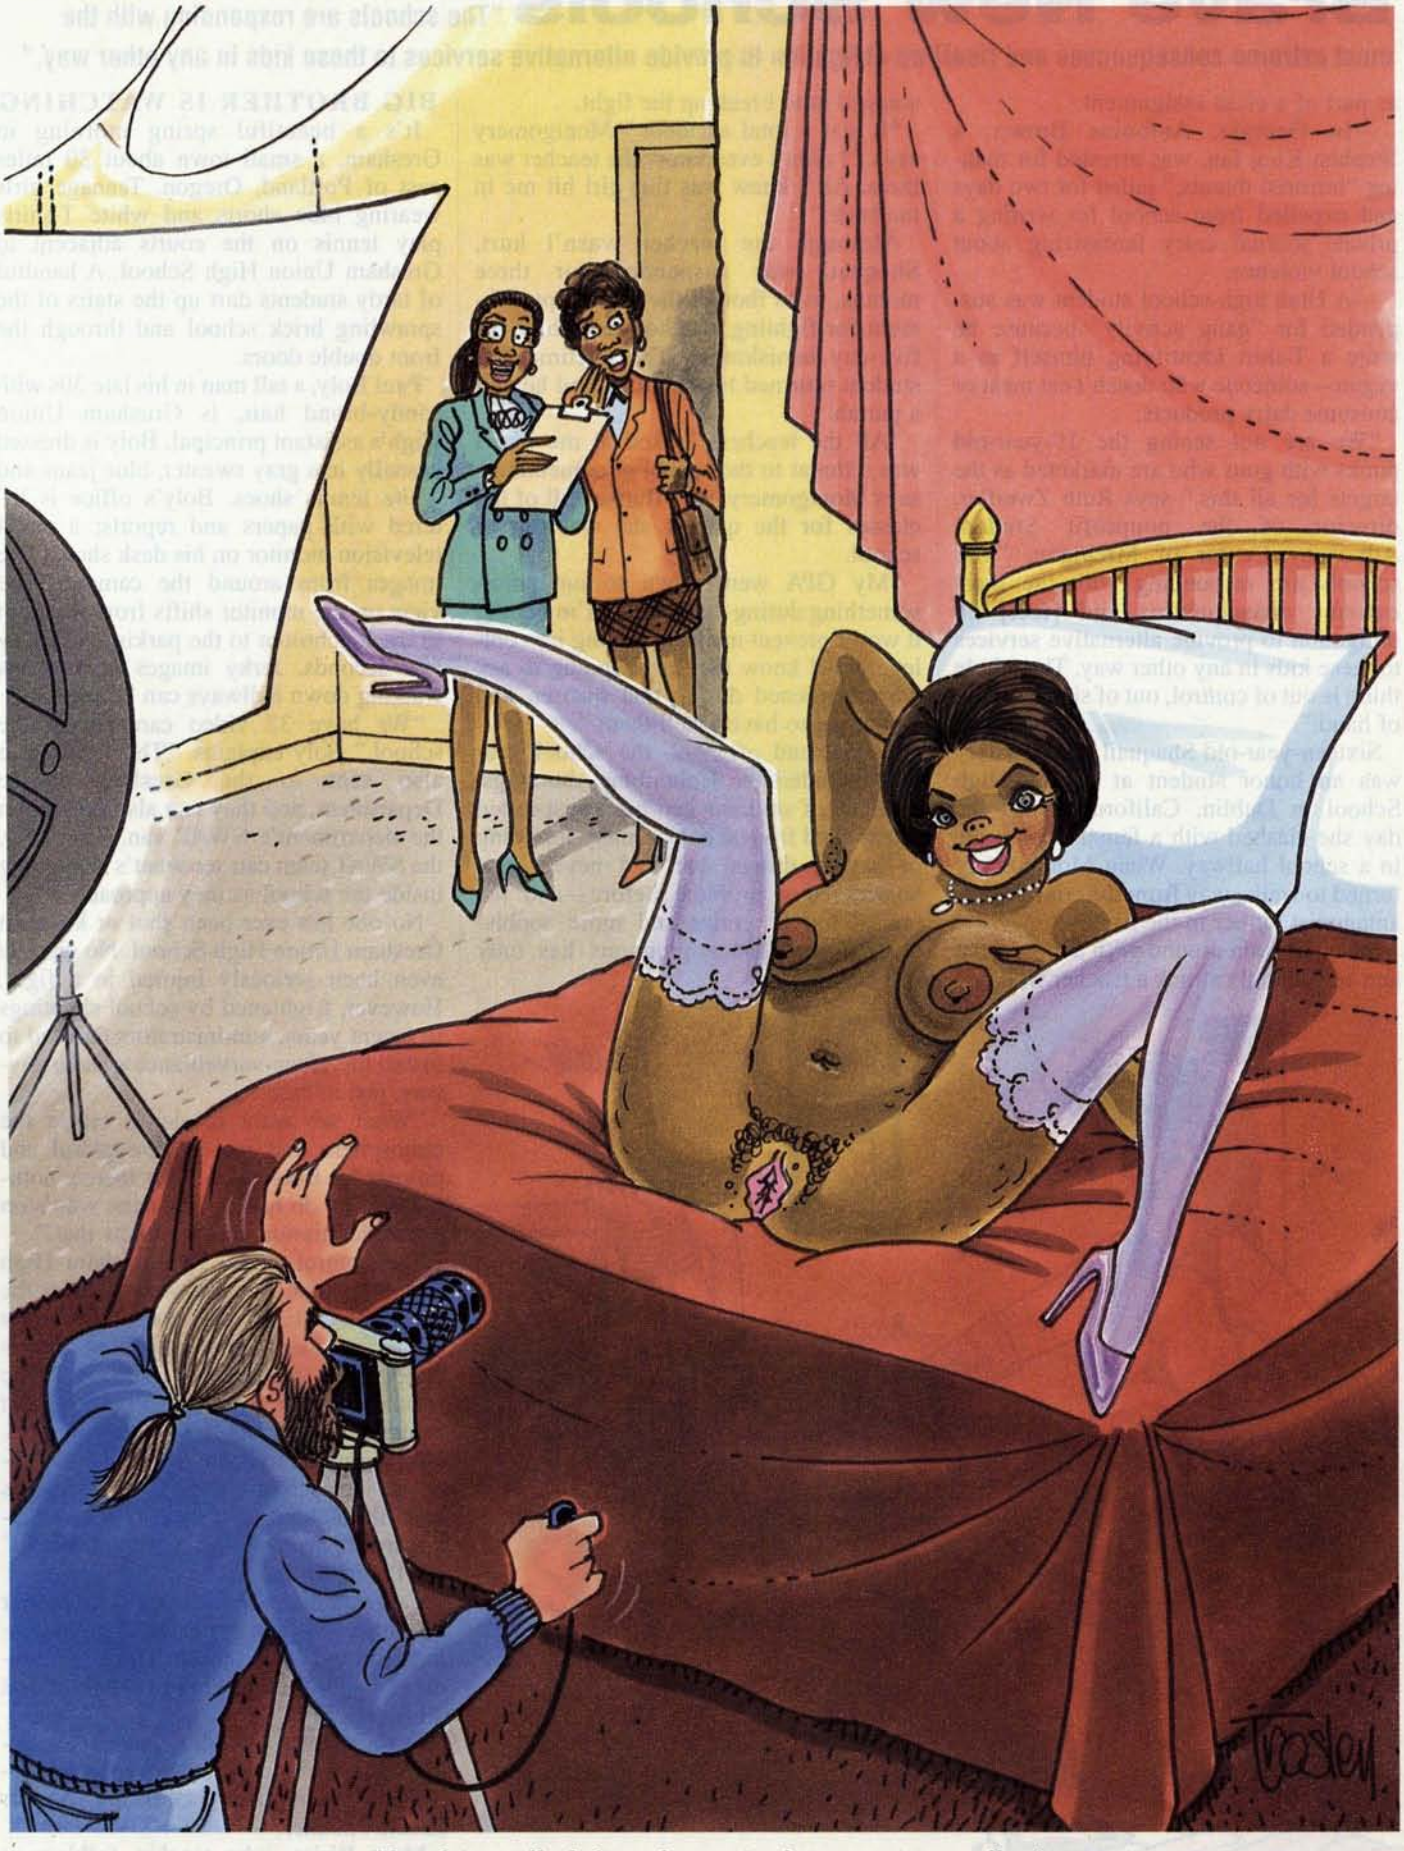
Because kids who march to the beat of a different drum have long been singled out for harassment, giving students carte blanche to rat out their classmates seems ripe for abuse. The Pinkerton Services Group concedes that the WAVE America program includes no safeguards against false accusations spurred by school-yard grudges or clique warfare.

Moreover, with school administrators officially targeting campus outcasts, the marginalization that Klebold and Harris cited as the inspiration for their murderous rampage is likely to increase instead of decrease. Such concerns are apparently moot to administrators who, now that school safety has become a hot-button issue, have declared open season on black sheep:

—Nine-year-old martial-arts enthusiast Karl Bauman was kicked out of his Ohio elementary school for writing, "You will die an honorable death"



"Mister, you best be sellin' something I need more than pussy!"



"Oprah is totally dedicated to getting her magazine to sell...."

Brave New Schools

"The schools are responding with the most extreme consequences and [feel] no obligation to provide alternative services to these kids in any other way."

as part of a class assignment.

—In Georgia, Antonius Brown, a Stephen King fan, was arrested for making "terrorist threats," jailed for two days and expelled from school for writing a private journal entry fantasizing about school violence.

—A Utah high-school student was suspended for "gang activity" because he wore a T-shirt identifying himself as a vegan—someone who doesn't eat meat or consume dairy products.

"We are not seeing the 19-year-old punks with guns who are marketed as the targets for all this," says Ruth Zweifler, director of the nonprofit Student Advocacy Center of Michigan. "The schools are responding with the most extreme consequences and [feel] no obligation to provide alternative services to these kids in any other way. The whole thing is out of control, out of sight and out of hand."

Sixteen-year-old Shaquail Montgomery was an honor student at Dublin High School in Dublin, California, until the day she clashed with a female classmate in a school hallway. When Montgomery turned to walk away from the conflict, her antagonist hit her in the back.

Shaquail spun around with a closed fist and accidentally struck a teacher who had stepped in to break up the fight.

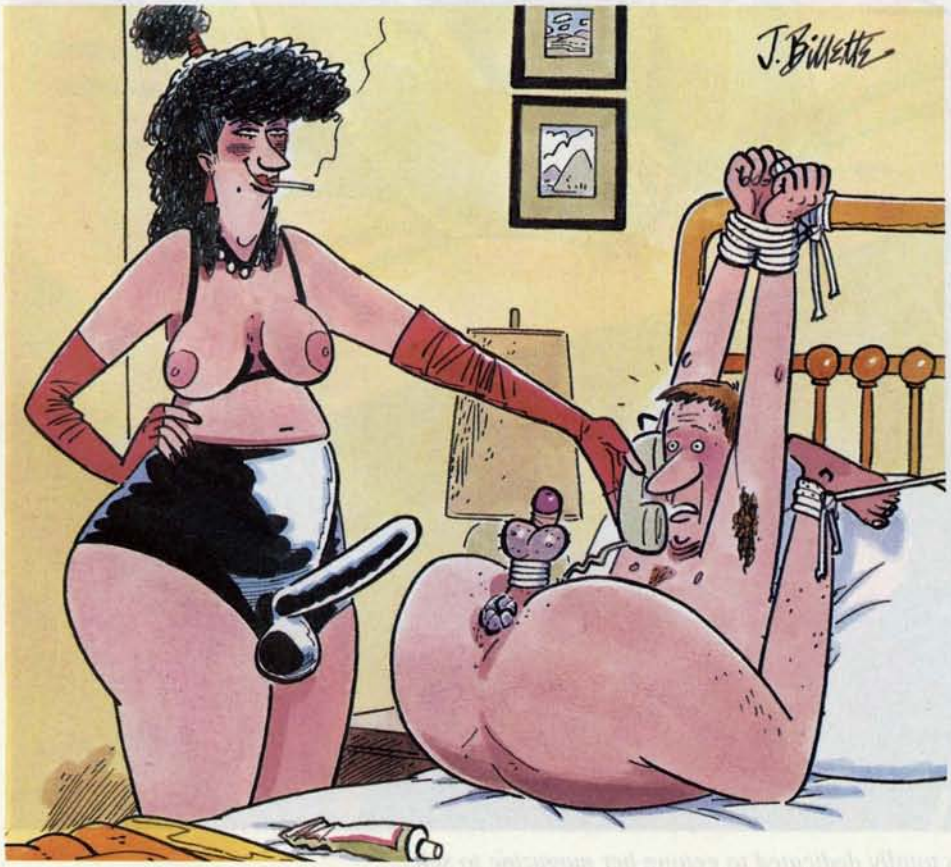
"It was a total accident," Montgomery says. "I didn't even know the teacher was there. All I knew was this girl hit me in the back."

Although the teacher wasn't hurt, Shaquail was suspended for three months, even though the normal punishment for fighting at school is a three-to-five-day banishment. The onetime star student returned to school to find herself a pariah.

"All the teachers looked at me like I was a threat to the school or something," says Montgomery, who flunked all of her classes for the quarter she was out of school.

"My GPA went down to one-point-something during that quarter. I'm hoping it won't prevent me from getting into college, but I know they're all going to ask what happened during that quarter, and I'm going to have to tell them."

By the end of 1999, the school year that included the Columbine shootings, millions of students had been suspended or expelled from school—many for doing or saying things that had never been considered a problem before—and the era of tougher rules and more sophisticated surveillance programs has only just begun.



"I won't be in to work today, Mr. Swartz—my hemorrhoids are about to flare up!"

BIG BROTHER IS WATCHING

It's a beautiful spring morning in Gresham, a small town about 30 miles east of Portland, Oregon. Teenage girls wearing blue shorts and white T-shirts play tennis on the courts adjacent to Gresham Union High School. A handful of tardy students dart up the stairs of the sprawling brick school and through the front double doors.

Paul Boly, a tall man in his late 30s with sandy-blond hair, is Gresham Union High's assistant principal. Boly is dressed casually in a gray sweater, blue jeans and white tennis shoes. Boly's office is littered with papers and reports; a small television monitor on his desk shows live images from around the campus. The view on the monitor shifts from the gym to the lunchroom to the parking lot every few seconds. Jerky images of students walking down hallways can be seen.

"We have 32 video cameras in the school," Boly explains. "The signals are also sent to the Gresham Police Department, and they can also be seen in the department's SWAT van. That way, the SWAT team can see what's happening inside the school as they approach it."

No one has ever been shot or killed at Gresham Union High School. No one has even been seriously injured in a fight. However, frightened by school shootings in recent years, administrators decided to install the video-surveillance system anyway, just in case.

"What we want to do is create the atmosphere that we are thoughtful and prepared," Boly says. "But there's nothing we can do to stop someone who's on a suicide mission, and we know that."

The control center for Gresham High School's video-surveillance system is the security office, located next to the boiler room, just across the hall from Boly's office. The digital eyes and ears of the school are run by two computers that resemble large cable-TV converter boxes. Black monitors sit on top of each computer, and each screen displays 16 images from throughout the school. The computers are capable of storing several weeks' worth of images.

Cameras tucked inside small triangular housings hang inconspicuously from ceilings throughout Gresham High, but students know they are being monitored at all times.

"Everywhere you turn, there's a camera, and it feels like you're being followed," complains Gresham senior Jassim Albaker.

Mia's executive suite at Eros Toys International is the site of tense negotiations with Zandy, the corporate shark from Oasis Creative Pleasures.

"Mia, let's not beat around the bush. If you join OCP, we'll be the largest producer of pleasure aids in the Western Hemisphere," declares Zandy.

"How do I know my product won't suffer?" demands Mia.

Zandy opens her leather briefcase, producing a pulsating vibrator. "I was hoping I wouldn't need this. It's the Phase IV Vag-O Blast prototype," sighs the savvy negotiator.

Mia gasps. "I thought the Phase IV was just a rumor."

"It's more than real," purrs Zandy, parting Mia's rosy quim with the oversize miracle of engineering. Mia's hips heave and buck as her hungry snatch strains to envelop the slick toy.

"Just show me where to sign!" moans Mia, and Zandy prepares to celebrate the new merger.

Brave New Schools

(continued from page 86)

"Students were getting kicked out all the time, for nothing. Then they get off track, and they figure they don't have a chance; so they just quit."

Gresham High, says the money spent on the school's spy shop, which topped $93,000, should have gone toward hiring more teachers.

"That would shrink classroom sizes and allow teachers to give more attention to each student," Weiss says. "The cameras should have been a last resort."

Albaker and Weiss don't call the shots at Gresham High, however. District administrators have already spent more than $140,000 installing video surveillance systems in nearby Gresham-Barlow High School and Gordon Russell Middle School. Pending voter approval, cameras will soon be installed in the district's elementary schools as well.

MAXIMUM INTOLERANCE

Four kindergarten students were playing "cops and robbers" during lunch recess on March 15, 2000, in Sayreville, New Jersey, a waterfront community of 35,000. "*Boom!*" one of the six-year-olds shouted in a tiny voice, pointing his finger at another child. "I have a bazooka, and I want to shoot you."

Several other children at Wilson School ran to their teachers. School administrators suspended the four children, cops and robbers alike, sparking cries of outrage from parents.

Pressed to justify the suspensions, Assistant District Superintendent Dennis Fyffe dug in his heels and cited the Littleton shootings. "In light of what happened at Columbine, I'm going to take the more conservative view and avoid a catastrophe rather than have a tragedy," Fyffe said at the time.

The Sayreville incident is typical of what's happening all across America in the name of stopping school violence.

Draconian school policies have been adopted from coast to coast, largely at the urging of Washington, D.C. As part of the U.S. government's ongoing war on drugs, educational institutions receiving federal money through the Elementary and Secondary Education Act, which includes virtually every school in the country, must have policies outlawing illegal substances.

Under these so-called zero-tolerance policies, more students are being thrown out of school than ever before. According to figures compiled by the U.S. Department of Education, suspensions rose from approximately 1.7 million in 1974 to 3.1 million in 1997.

Zero-tolerance policies were adopted in Chicago in the middle of the 1995-1996 school year. Within three years, expulsions jumped from 81 to an estimated 1,000. The projected figure for the 1999-2000 school year is 1,500 expulsions—more than a 15-fold increase from just six years earlier.

The Gun-Free School Act, passed by Congress in 1994, requires states to hand down a one-year suspension to any public-school student caught with a gun, knife or bomb. Many school districts went much further than the legislature required, banning anything that even resembles a weapon.

"A lot of school systems have accelerated their zero-tolerance policies to include verbal threats, pagers and things that replicate knives and guns, including butter knives," says Jason Ziedenberg.

Joseph Nelson, from Overland Park, Kansas, bought a pair of brass knuckles at a novelty store while vacationing with his family in the Ozarks. Unfortunately for Nelson, he still had the brass knuckles in his backpack when he showed up for school at Blue Valley Northwest High School the following Monday.

Nelson got into an argument with another student, who ran to the principal and accused Nelson of being "violent." The principal searched Nelson's pack, found the brass knuckles and expelled him, even though no fight had actually occurred and Nelson had never taken the weapon out of his pack.

"I just bought the brass knuckles as a joke and forgot all about them," Nelson says. "It wasn't even a real fight—just a couple of kids yelling at each other. I think kids should be kicked out of school if they get into serious fights, but that isn't what happened."

Nelson transferred to Blue Valley North High School, where he was instantly pegged as a troublemaker because of the previous incident.

"The teachers pretty much gave me grief from the moment I walked through the door," Nelson says. "The security guard acted like he had a personal vendetta against me."

Nelson was placed in a special program for difficult students at the new school. So many students were added to the program over the course of the year that the district created a special alternative school for them. Nelson graduated from that school in June, but many of his fellow students did not.

"Students were getting kicked out all the time, for nothing," Nelson says. "They were getting kicked out for things like smoking cigarettes and skipping classes, which makes no sense at all. Then they get zeros in all the classes they

Beaver Hunt

Flash for Cash!

Attention, ladies! Are you an amateur nudist over 18 years of age? The 2001 *Beaver Hunt* Grand Prize Competition is looking for *you!* Snap a clear, color picture, and mail it to HUSTLER *Beaver Hunt*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets $250 and a chance at the 2000 Grand Prize—a photo-feature worth $5,000. Grand Prize Finalists win $1,500 each. The award for the photographer of the Grand Prize Winner is $500, and the Finalists' photographers win $250. Fill out the model release below, and include a photocopy of (1) a photo ID and (2) another form of ID. All photos become the unreturnable property of HUSTLER Magazine.

Truly enlightened Beavers keep in constant touch with their inner pussies. Chrissy, 23, sets a fine, introspective example by deeply probing herself. An accountant from Santa Ana, California, the self-aware blonde loves reading, camping and drawing. With her lovely pierced jugs and open nature, Chrissy actually makes all that touchy-feely, new-age psychobabble sensible.

Photo by Boyfriend

When the alarm clock rings, most girls leap from bed and put on their makeup. Candice, from Green Bay, Wisconsin, has a totally different wake-up routine. The 21-year-old student starts her day with some dildo play before passing her time lifting weights, drawing or reading. "Giving a woman a full-body massage and sucking her toes" is Candice's idea of a real pick-me-up though.

MODEL RELEASE / ENTRY FORM

To enter HUSTLER *Beaver Hunt* or HUSTLER *Video Beaver Hunt*, you must be over 18 years old, and you must fill out and send this release and COPIES OF TWO FORMS OF ID, ONE WITH PHOTO (i.e., driver's license, passport, work or school ID card or photo ID issued by state). Second ID can be birth certificate, Social Security card, credit card, marriage certificate or immigration card. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of HUSTLER Magazine, which buys all rights in perpetuity to photos and videos we purchase. Win $250 if we publish your photo, or $500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth $5,000. Send photos, videos, IDs and release to HUSTLER *Beaver Hunt*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

Slap the cuffs on Nikita, from Washington, D.C., and she still won't spill the beans. The tight-lipped 25-year-old's record shows that she's an adult entertainer who loves dancing, sex, raves and getting into trouble. The rumor on the street is that this naughty brunette has been plotting to "finally have sex with a woman" and "have a threesome." Regardless of whether or not she talks, a private interrogation with Nikita is sure to be fruitful.

Vanessa, from Orlando, Florida, is just the kind of bride-to-be that every man craves. "Sticking objects in my pussy, sunbathing nude and fulfilling sexual fantasies" are among the 24-year-old's daily rituals. The selfless Beaver's future husband shouldn't have a hard time satisfying Vanessa's desire "to have a roomful of guys watch my man fuck me while they all shoot their load on me." Sounds like a great idea for the honeymoon.

Photo by Friend

Housewives in Lubbock, Texas, aren't all prim and proper. Check out 22-year-old Shawna, whose scorpion tat and shaved pussy are good indications that she's no June Cleaver. Shawna prefers jet skis, 4x4's and Harleys over flower gardens and knitting, but enjoys traditional diversions when it comes to her hubby. "I love to please my husband any way I can," the blonde purrs. Who says married life can't be fun?

Photo by Husband

Mona smiles as she shows off her unshorn snatch. The 39-year-old homemaker from Burgin, Kentucky, enjoys cooking, racing, reading and fucking. "Having sex in a Winston Cup car at 200 m.p.h." would really put a grin on Mona's face, the wild woman admits. Now everyone knows what makes speed freaks like Mona's engines purr.

Photo by Husband

Celina, 25, of Tampa, Florida, loves paraphernalia. When she's not loading her car with camping equipment or water skis, the exotic receptionist plays with her dildo, dreaming of "having sex with another girl" or taking part in a threesome. Whatever the occasion, Celina always comes equipped for action.

Photo by Husband

A cashier from Golden Valley, Arizona, 21-year-old Cassie loves basketball, drawing and music, but it's sex that really adds a blush to her snowy skin. The pearly nymph glows with the thought of having "sex in a field of flowers while being watched and filmed."

Photo by Friend

Air-traffic controllers are a crazy breed. Take Justine, from Oakland, California, for example. The 28-year-old blonde lists shopping for lingerie, masturbation, surfing and girlwatching as her favorite ways to decompress from the pressure of pushing tin. A gang-bang and "drinking copious amounts of cum" are this loose cannon's idea of a sexy blast.

Photo by Friend

Page Winters is a model from Los Angeles, California. The 24-year-old hottie is an avid hiker and dancer, and she stays in shape by constantly working out. Page Winters's ultimate goal is to pose for a HUSTLER pictorial and "have hundreds of men lust after me." A layout would no doubt increase her admirers, but it's safe to assume that plenty of jaws already drop every time this leggy babe sets foot on the street.

Photo by Boyfriend

Dakota's a mother of five from Dallas, Texas. The 45-year-old mama may be a housewife, but she's no homebody. "Being hung from the ceiling and spun around the dance floor" are two of Dakota's favorite pastimes. Once all the kids are out of the house, Dakota says she looks forward to "being a slave to three men who fill all my holes at once, or sucking my boyfriend's cum from a woman's pussy." There's never been a better argument for the benefits of day care.

Photo by Boyfriend

Jenna, from Charlotte, North Carolina, wins HUSTLER's nomination for Teacher of the Year. The 33-year-old spends recess swimming, running and roller skating, but her ultimate fantasy would probably take place in the cafeteria. "To be made into a hot-fudge sundae" and eaten is Jenna's idea of the perfect after-school activity. Homework never sounded so good.

Photo by Friend

A receptionist from Casper, Wyoming, 24-year-old Cheri dons gloves to handle her hot bod. Cheri digs riding horses, exploring and discussing metaphysics. Talk to the Renaissance babe long enough, and she'll reveal her fantasy: to have "sex during the symphony" in a secluded spot backstage "under velvet curtains." That's our idea of a night at the opera.

Photo by Friend

Sporting short hair on top and none down below, Brooke from New York, New York, enjoys sex, playing pool and traveling. The 23-year-old waitress hopes to someday have "sex in a public place." We're not picky; we'd love to see more of her clean-cut privates anywhere.

Photo by Friend

"I would like to meet and greet the Dallas Cowboys, with nothing on but a cheerful smile and a pom-pom," says Montana, 28, of Pine Grove, West Virginia. The sporty young filly likes horses and Harleys, but also goes in for the finer things, such as art and posing for nude photos. Dudes all over will love Montana for her rootin'-tootin' motto: "Spare the horse and ride the cowboy."

Photo by Friend

Every small town needs a girl like Jamie. A musician and unabashed "bad girl," the 23-year-old blonde does her best to loosen up the stodgy folks in her hometown of Arab, Alabama. Whether she's playing guitar or hitting the beach, her ultimate goal is to open people's minds to the fun and freedom of sexual pleasure. Keep up the good work, Jamie; a world without free-wheeling hedonists such as yourself wouldn't be worth living in.

Photo by Friend

A revolution is brewing in Lexington, North Carolina. Leading the charge is Desiree, a 29-year-old artist with a penchant for piercings, chains and collars. The sultry despot's ultimate goal is "to command an army of dedicated foot slaves." Until that day comes, Desiree trains by riding motorcycles and playing with her pit bulls. A gorgeous figurehead like Desiree should have no problem recruiting a slew of worshipful followers.

XXX Cherries Jubilee!

Young ripe virgins spread their gooey li'l pussies for the camera in *Cherries 1* and *Cherries 2*. These are naive innocents—not porn sluts—that eagerly suck a hard cock for new and exciting thrills. On each 90-minute tape wet cherries are popped, fresh smiles are doused with cum-explosions, slumber parties become lesbo orgies, and sweet showoffs tickle their clean cunts. Gosh, some curious gals giggle as they get their tight, perfect-pink poo-holes fucked for the first time ever!

Handi-Capable Love

(continued from page 68)

I'm older. I've raised a family, and I've been through a lot of living," Dana says. "You have to understand that this is not just anyone I'm involved with; this is a deeply beautiful man—really a prince. I feel lucky to be with him. We just found each other at the perfect time in our lives for something like this to work."

Feelings of undesirability among some paralyzed people notwithstanding, a hard-core group of devotees actually fixates on disability as a sexual fetish. Web sites exist that catalog clickable photo galleries of women in wheelchairs.

"Since I am all too familiar with being rejected because I have a disability, I was astounded to find that some people are actually attracted to my disability," says Bill Lane, who welcomes the attention from able-bodied admirers of people confined to wheelchairs.

On the other hand, Gabriel Stevens, the paralyzed husband of Dana Stevens, bristles at the thought of being the focus of a fetish.

"There's a huge difference in meeting a person who happens to have a disability and actually going out and actively searching for one," Stevens says. "As a disabled person, and as a sexual being, I would doubt the motives of anyone who came looking for me as a partner just because I'm disabled. It begs the question: Do they feel I am vulnerable and want to dominate me, or do they feel so inadequate with their own sexual lives that they have to target people they consider less fortunate? Or is it a sympathy thing?"

"Attraction to a disability is just a preference, like preferring blondes or women with big breasts," explains Mike Riley, a "para" devotee who haunts Internet chat rooms that focus on disabled sex.

Mark Hanaway has been on the receiving end of advances made by an able-bodied female, not in the virtual realm of the World Wide Web, but in reality. Although he knows that his disability was seen as a curiosity, he has no complaints.

"I was at a bar one night with my roommate, Dave, who's also in a wheelchair," Hanaway recalls. "This girl walks up behind us, leans in with her hands on our shoulders and asks, 'Hey, can you guys still fuck?' and Dave says, 'We're paralyzed, not dead.'"

Later that night, Hanaway managed to "make a little bit of time with her back in the car." Hanaway scored some nondisabled snatch, and even though he wasn't exactly able to pound the pussy, through twitches and tingles, release and relaxation, he was as happy as any man, disabled or not, would be.

"Marla takes a little longer than lethal injection, but she's more cost effective."

Schools

(continued from page 96)

missed, they get off track, they get held back, and they figure they don't have a chance; so they just quit. That's happened to a lot of my friends."

As Jason Ziedenberg points out, students who are suspended or expelled are three times more likely to drop out of school completely than their classmates. In 1994, the Centers for Disease Control and Prevention found that kids who are not in school are more likely to be involved in fights, carry a gun, smoke, drink and do drugs. In other words, zero-tolerance policies are creating, not preventing, the next generation of criminals.

DON'T BELIEVE THE HYPE

School officials across the country credit their new policies and surveillance equipment with reducing school violence. The truth is, juvenile crime has been falling for years. A joint study conducted by the Bureau of Justice Statistics and the National Center for Education Statistics found that the total number of reported school crimes declined 29% between 1993 and 1997. The number of serious violent crimes fell even further—34%.

The National School Safety Center reported 26 school-associated violent deaths during the 1998-1999 school year, which included the Columbine shootings. That's a 40% decline from the previous year and 26% below the average for the previous six years.

With 52 million students enrolled in America's public schools, there was a one-in-two-million chance of being killed in school last year. Students are twice as likely to be struck by lightning than to take a bullet during homeroom.

Sobering statistics such as these have done little to quell the post-Columbine hysteria. On April 15, 2000, the Saturday before the one-year anniversary of the Littleton killings, President Bill Clinton approved $100 million in federal school grants, with much of the money earmarked to train teachers to identify the "early warning signs" of school violence.

The crackdown on civil liberties that is being carried out in the name of stamping out violence may make classrooms safer places to learn, but as long as "social withdrawal" and "feelings of being picked on" are cause for alarm, any student having a bad day will be considered a potential killer. As Ron Jones learned with his high-school history class in Palo Alto, no one is safe under fascism.

PENIS ENLARGEMENT UP TO 12 INCHES

DR. BROSS COMPLETE PROFESSIONAL SYSTEMS

Jon West in the full length video feature *The Pleasure Principal*

YOU CAN HAVE A LONGER, THICKER AND HARDER PENIS NOW! OUR CUSTOMERS TELL US 9 INCHES...10 INCHES...EVEN A BIG 12 INCHES IS POSSIBLE!

The world's largest selling Penis Enlargement System used successfully for over 30 years with over 20 million satisfied customers.

Easy To Use! Fast Results!

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

HERE IS WHAT THE DR. BROSS PROFESSIONAL PENIS PUMPS CAN DO FOR YOU.

Increase penis thickness and length ■ Stimulate a harder and more powerful erection ■ Exclusive design maintains your erection (use my exclusive Comfort Fit Erection Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.enlarge-penis.com

The Pump is directly connected to the side of the clear Penis Cylinder. The air flows evenly and smoothly from the Pump to the clear Cylinder for faster vacuum response. Only a couple of strokes from the extra long 10 inch piston assembly is all you need for Penis Enlargement. The low cost makes it possible for anyone interested in Penis Enlargement to have a Dr. Bross Pump. **Reg. $65.00 now only $19.95**

Exclusive design with Direct Sealed Penis Pump connection to the clear Cylinder. Instead of a one piece centric pump, with the Dr. Bross Power-Flow Pump you can remove the Pump for easy cleaning of the Cylinder. The Power-Flow requires a minimum of pumping to achieve Penis Enlargement. For men who want immediate results in the shortest possible time. **Reg. $90.00 now only $29.95**

Features the only enclosed self-contained motorized housing battery pump. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for Penis Enlargement. Important Exclusive Features: The self-contained motorized electronic unit can be removed to clean the clear cylinder tube. Other battery pumps with parts imported from the Orient have the motor, wires and batteries attached to the tube and with use and cleaning will rust and damage the motor and batteries. Includes the exclusive Dr. Bross clear injection molded cylinder for easy cleaning. **Reg. $260.00 now only $79.95**

Hot Letters

(continued from page 43)

I grabbed the sweet servant by her golden locks and pumped her pie like it was my last taste of pastry. I seized Claudette's tiny waist and throttled forth.

"Occupied," I choked, my cock butting fiercely against my trousers. The door flew open and Claudette lunged inside.

"It's only me, silly," the saucy stewardess giggled, locking the door behind her. "I'm so glad you're here to help me unwind. I've been flying for three weeks straight, and I'm a mess! Help me relax."

Claudette removed her polyester vest to reveal a sheer, white blouse, beneath which her mountainous tits were gloriously apparent. She sighed mirthfully and plucked a pint of Early Times from her skirt pocket, offering me a swig.

"Ladies first," I insisted and watched in admiration as she threw back a long, hard draw of whiskey. She slammed the bottle into my hand and laughed loudly.

"Early Times makes me so fucking horny. Hope you're up to the task," Claudette guffawed.

I swallowed a mouthful of the mash and wondered if any of her coworkers heard her boisterous endorsement. Claudette snatched the whiskey from my grasp and chugged down another gulp. With one rapid movement, the vixen unbuttoned her blouse and unlatched her lacy, white bra. An impressive pair of tatas exploded forth. Before I had a moment to fondle the heaving mounds, Claudette whirled around and lifted her straight skirt, proffering two bubbly, nylon-encased butt cheeks.

"Rub it down, sugar," she demanded.

I dropped to my knees and placed my itching paws on her taut, round booty, burying my nose in her sweet ass crack. Peeling the faux-tan pantyhose from Claudette's smooth flesh, I licked her tight bunghole. She sighed and parted her cunt lips with two rose-tipped fingernails.

"Eat it," Claudette implored.

I plunged nearly tonsils-deep into the flight attendant's tangy twat. Her cunt muscles tugged my tongue.

"Let me suck your big cock," the horny hostess panted.

Claudette ripped my pants to my ankles and inhaled my log with one breath, sucking my slab with unimaginable ferocity. My eyeballs bulged; the very life of me was being neatly vacuumed from my skull.

"Holy shit," I wheezed. "Let me put it in your pussy."

The compliant flight attendant climbed onto the little silver toilet and pried her soft clamshell apart, inviting me inside. I placed a palm on her firm buttock and thrust my rod into her waiting chamber. The strong walls within shivered, massaging my member. I grabbed the sweet servant by her golden locks and pumped her pie like it was my last taste of pastry. Claudette chirped and mewled under my pounding. My torch twitched, and I needed to come. I seized Claudette's tiny waist and throttled forth.

"Here it is!" I wailed, ripping my ramrod from the attendant's conch. A giant ribbon of wet, sizzling spludge smacked against the delicate arch of her back.

"I feel better," Claudette heaved, a glob of spunk rolling into her ass crack.

I returned to my seat, ordered a highball from a homely attendant and settled in to snooze the rest of the way. Before I drifted off, I chuckled while watching a disheveled, staggering Claudette tossing packets of honey-roasted peanuts at the passengers. Now, every time I fly, I duck into the rest room and jack off, imagining Claudette's tawny tush absorbing my joyous projectile of spuzz. —F. D.

BROTHER FUCKER

I'm a filthy whore. I cheat on my boyfriend. Worse, I fuck around on him with his brother. Worse yet, Nolan (my boyfriend's brother) is married. But Nolan's wife is a fat bitch, and Owen (my boyfriend) is an ugly bastard. Nolan and I need each other. When Nolan's potent rod plunges into my blushing asshole and makes me want to poop and come all at the same time, I feel okay. Everything is beautiful for that moment.

But the last time I did it with Nolan, things went horribly wrong. Now I can never see him again. Everyone was over at Nolan's house when the shit went down. Nolan and his cow of a wife, Karly, invited Owen and I over for dinner. Nolan and I snuck into the bathroom for a while, as is our custom. This time we were caught, and it was really, really bad. All manner of hell broke loose, and the flames were aimed directly at my ass.

I'll start at the beginning. Owen and I showed up at his brother's door with a chicken casserole. Karly invited us inside and served us Diet Rite. We groused because we wanted to drink beer, not Diet Rite, for fuck's sake; so Nolan ran out and bought a case of Miller High Life. We all set to drinking except for Karly, because she has a big broomstick lodged in her gargantuan ass.

The three of us tore through the beers while Karly fumed in the kitchen. We boozers were beginning to feel a bit drunk. Owen stumbled off into the recreation room and started shooting pool all by himself. Nolan and I eyeballed each other. I saw a throbber in his pants. The sight made me so

Hot Letters

Karly's arm disappeared behind the shit pot and emerged brandishing a toilet brush. I gasped as the shank sank into my asshole.

horny, my cunt hurt. I told Nolan that I was going to take a piss, and if he needed to use the rest room, he should feel free.

I was sitting on the pot with pee splashing like music against the toilet water when Nolan strode in, his cheeks rosy and his pants popping at the crotch. I told him that he should lock the door so we could fuck. Nolan turned the lock and unzipped his pants. I shivered when I saw his beautiful prick spring out of his fly, its cyclops peehole staring at me expectantly.

I reached for the toilet paper to dab the urine from my tinky, but Nolan grabbed my wrist to stop me. He wanted to lick the droplets of whiz from my labes. I sighed as his warm, slippery tongue slithered between my coochie lips and sucked up the remaining liquid. Nolan's nose bumped against my clit while his tongue wiggled up inside my snatch. I grabbed a handful of Nolan's curly, blond hair and smashed his face firmly into my pelvis. The twirling licks were good enough to make me come rapidly and violently.

"Let me suck your big blue-veiner," I panted, eager to return the oral favor.

Nolan settled onto the toilet so I could chug his choad. Pre-cum oozed onto my tongue; I rolled the tangy snake oil around in my mouth and jammed a finger in my cooter, bucking for another orgasm as Nolan's log palpitated against my uvula.

"I'm gonna fuck your butt," Nolan announced.

"Please do," I yelped before wrapping my lips around Nolan's porker again.

I slobbered copiously, lubing Nolan's dong with sputum. Spit oozed down his shaft and gathered in droplets on his bramble of pubic hair. Nolan massaged my anus with his thumb, preparing my pucker for the impending rocket blast. Just as we were about to assume the position, the bathroom door began to rattle.

"What's going on in there?" Owen slurred in his squeaky rodent voice.

"What the fuck are you cocksuckers doing?" boomed bruiser Karly.

Nolan and I froze, dumb as stone. The door crashed open; our respective mates stood gawking, their faces red and moist.

"You bitch!" Owen squealed like a pig. "You nasty, rotten slut!"

Owen lunged toward us, but Karly stepped in front of him and halted his leap. The heifer's mug was emotionless.

"You fuck her ass, don't you, Nolan?" Karly began slowly. "You ram that nasty prick up her little cornhole. I won't let you bugger me; so you bugger this skank instead."

Nolan, Owen and I stared in silence.

"Fuck her ass *now*, Nolan," Karly continued. "Give it to her right here in front of your wife and brother."

Karly hulked toward me and grabbed me by the hair, pushing Nolan off the toilet and forcing my head into the water. The monster smacked my ass so hard, my ears rang. An inexplicable flush of pleasure spread across my buttocks and hardened my clit.

"You're limp!" Karly screamed at Nolan. "You aren't man enough; who's gonna fuck her now?"

"Why don't you try it, you fucking elephant?" I hollered.

I froze, shocked by my bold challenge to Karly. A wicked smile spread over the chubster's face; her arm disappeared behind the shit pot and emerged brandishing a toilet brush. My backside quivered, daring Karly to utilize the tool. She spanked my cheeks with the brush bristles. The pot scrubber stung my tush; my nipples hardened, and my cooter dripped.

"You're so butch," I baited. "Don't fuck around; slide the handle into my shitter."

What the hell's come over me? I wondered. Karly boomed with laugher and grabbed a bottle of lotion, lubricating the brush handle with a smattering of creamy glop. I gasped as the shank sank into my asshole. My hips rocked against the prod, bucking for deeper penetration. Karly's skillful strokes scratched itches deep within me that I never knew I had. Nolan and Owen watched the twisted sapphic action with dangling jaws.

"Fuck!" I moaned, reaching back to fondle Karly's teats. "You butt-fuck hella better than your flaccid husband does!"

I hugged the toilet in preparation for orgasm. Karly panted urgently; I peeked around to find her feverishly diddling her plump pussy. The sight of Karly's quivering flesh sent me over the edge; I came, twitching and shouting. Karly quaked and wailed, her imposing body rippling as she fucked her hand to fruition.

"Well, I'll be goddamned," I heaved, resting my head on the toilet rim.

I fled the scene and walked home in hopes that the air would clear my head, but I was unable to rid my brain of that wide-ass butt mistress. Owen returned home a day later, reeking of gin. He doesn't talk to me anymore and neither does Nolan, but I don't really give a shit. All I want is Karly, but the mean, beefy bitch doesn't want to see me again. Everything is shit now. Not only am I a dyke, I'm a fat-lover. —H. S.

"All of these people wanting better sex ask me to design elaborate fantasy homes for them," white-hot interior designer Trina scoffs, "but I keep my bedroom simple and comfortable, and it never fails me."

Dropping to all fours, Trina sticks her porcelain-skinned rump in the air, exposing the entrance to her velvety tunnel.

"I love taking it from behind," whispers the luscious brunette while her hand strokes a flawless breast.

"Visualization is vital to my work, and right now I see myself cramming a hard cock into my silky slit," groans the creative slattern. "All I need now is someone to share my bed."

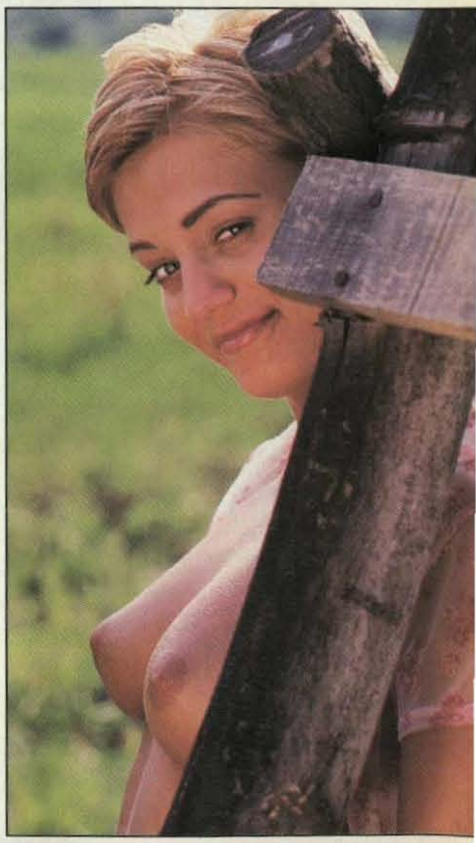
TAINTED CLOTH

Untold numbers of Catholic priests infected with AIDS live in abject fear of being discovered, and the church hierarchy has addressed the problem with little more than denials. Many seminaries are populated with men conflicted about their own sexuality. Hoping to avoid the issue in the supposedly celibate world of the priesthood, and cowed by dogma, they expose themselves and many innocent victims to risky sexual behavior while striving to conceal their actions. The Holiday HUSTLER examines how church doctrine on abstinence has driven thousands of clerics into a sexual underground that puts parishioners and fellow priests in grave danger.



AGED TO PERVERSION

The Holiday *Sex Play* tackles the age-old (and old-age) taboo of senior-citizen sex and the public's habit of turning a blind eye to this hoary reality. Wasting away in sterile nursing homes and assisted-living communities, many of the nation's elderly dream about intimacy to the point of delusion, while others go so far as to turn tricks to satisfy their cravings. With a frankness appropriate for the young at heart (if not the faint of heart), HUSTLER sets the record straight on Grandma and Grandpa doing the bump and grind.

FEAST OF HOLY PINK

Count down the 12 XXX reviews of Christmas with *Erotic Entertainment. Bits & Pieces* curdles the eggnog with a tasteless collection of parodies fit for the Scrooge in everyone. Stuff stockings with 24 profane 'toons from HUSTLER's red-nosed cartoonists. Enjoy Christmas Carols, Suzies and more when the neighborly snizz in *Beaver Hunt* spreads warm cheer. Readers can rest assured that HUSTLER's Holiday Issue is humbug-free.

Holiday 2000 HUSTLER on sale October 17.
